RESPONDENTS

1. Suleman Makani is an individual who resides in Texas and is the President of Star Convenience, Inc., a Texas Corporation. Star Convenience, Inc. d/b/a EZ Shop is a convenience store located at 7801 W. Military, San Antonio, Texas 78227.

NATURE OF ALLEGED VIOLATIONS

2. During the course of their investigation, the Consumer Protection Division ("CPD") uncovered evidence obtained from the San Antonio Police Department ("SAPD") indicating that EZ Shop, located at 7801 W. Military, San Antonio, Texas 78227, was unlawfully selling contact lenses without requiring consumers to present a prescription upon purchase. Such

conduct, if proven, would violate Sections 17.46 (b)(2), (3), (5), (7), and (24) of the DTPA,[1] Section 353.101 of the Texas Contact Lens Prescription Act,[2] and Section 351.604 of the Texas Optometry Act.[3] Upon SAPD's discovery that Respondents were illegally selling contact lenses, Respondents voluntarily ceased selling contact lenses and have voluntarily agreed that they will continue to cease selling lenses. Respondents actively participated in the negotiations leading up to this AVC. Respondents are aware of the obligations this AVC places on them and are capable of carrying out those duties. Respondents agree entry of this AVC is in the public interest.

DEFINITIONS

3. The following definitions shall be used in construing this AVC:

   a. **"Respondents"** means Star Convenience, Inc. d/b/a EZ Shop and Suleman Makani, Individually, and each of their respective officers, agents, servants, employees, business entities, and any other persons in active concert or participation with Star Convenience, Inc. d/b/a EZ Shop and Suleman Makani, Individually.

   b. **"Contact Lenses"** means lenses which provide vision correction or lenses which are used for cosmetic or novelty purposes.

---

[1] § 17.46(b)(2): "causing confusion or misunderstanding as to the source, sponsorship, approval, or certification of goods or services;"

§ 17.46(b)(3): "causing confusion or misunderstanding as to affiliation, connection, or association with, or certification by, another;"

§ 17.46(b)(5): "representing that goods or services have sponsorship, approval, characteristics, ingredients, uses, benefits, or quantities which they do not have or that a person has a sponsorship, approval, status, affiliation, or connection which he does not;"

§ 17.46(b)(7): "representing that goods or services are of a particular standard, quality, or grade…if they are of another;" and

§ 17.46(b)(24): "failing to disclose information concerning goods or services which was known at the time of the transaction if such failure to disclose such information was intended to induce the consumer into a transaction into which the consumer would not have entered had the information been disclosed."

[2] Section 353.101 of the Texas Contact Lens Prescription Act provides that a person, other than the prescribing physician, optometrist or therapeutic optometrist, may *not* fill a contact lens prescription or sell or dispense contact lenses to a consumer in Texas *unless* the person receives a prescription *or* verifies by direct communication a contact lens prescription to be filled.

[3] The Texas Optometry Act also makes it a violation of the DTPA for a person to dispense a contact lens without having a valid prescription.

TERMS OF COMPLIANCE

4. Respondents hereby agree and voluntarily assure the Attorney General of Texas effective the day of the entry of this AVC, Respondents shall continue to refrain from selling, advertising, offering for sale, dispensing, or holding for consignment any type of contact lenses.

NOTICE

5. The State of Texas and Respondents acknowledge, as set forth in Tex. Bus. & Com. Code §17.58(c), that unless this AVC has been rescinded by agreement of the parties or voided by the Court for good cause, the subsequent failure to comply with the terms of this AVC is prima facie evidence of a violation of the DTPA in any action by the State of Texas acting by and through the Office of the Attorney General. Respondents do not waive and hereby expressly reserve all defenses to any claim that they have failed to comply with the terms of this AVC. Further, it is agreed and understood that this AVC shall not in any way affect the individual rights of action of any consumer. The State's agreement to this AVC does not constitute an approval by the State of any practices of Respondents, and Respondents will not represent that this AVC constitutes approval by the Office of the Attorney General or the Court of any of Respondents' practices. Respondents' signature on this AVC does not constitute an admission of wrongdoing or an admission of a violation of any applicable legal provisions. This AVC is being signed in order to avoid protracted litigation and to resolve all claims and contentions asserted in connection with this proceeding.

MONETARY PROVISIONS

6. Respondents further agree that they will pay the sum of EIGHT HUNDRED DOLLARS ($800) to the State of Texas for civil penalties and EIGHT HUNDRED DOLLARS

($800) to the State of Texas for the State's reasonable attorneys' fees and investigative costs for a total of SIXTEEN HUNDRED DOLLARS ($1,600).[4]

7. Respondents shall make such payment by certified check or wire transfer, payable to the "Office of the Texas Attorney General," bearing the reference AG# CX7705876913, and if not by wire transfer, delivered/mailed to the Office of the Attorney General, ATTN: Accounting Division, MC-003, P.O. Box 12548, Austin, TX 78711-2548. State acknowledges payment has been made by Respondents upon the entry of this AVC.

REFUNDS TO CONSUMERS

8. 10. Respondents shall make available, upon fourteen (14) days written notice, current officers, directors or employees to appear for depositions, hearings or other proceedings, without the service of a subpoena, as requested by the State.

---

[4] Section 17.47 of the DTPA authorizes the OAG to obtain injunctive relief and civil penalties. Section 402.006(c) of the Texas Government Code authorizes an award of attorney's fees.

11. Respondents shall respond within fourteen (14) business days to reasonable written inquiries from the State.

12. Respondents shall make available for review and provide documents, records and other tangible evidence reasonably requested by the State.

13. Respondents shall provide truthful declarations, affidavits, certifications and other written testimony that may be reasonably requested by the State.

14. Nothing in this agreement would preclude Respondents from requesting additional time in which to respond or preclude the State from agreeing to such an extension.

GENERAL PROVISIONS

15. In consideration of the terms of this AVC, the Office of the Attorney General releases Respondents from all claims, complaints, demands, suits, actions, or causes of action resulting from acts or omissions which were the subject of the DTPA investigation as alleged in Paragraph 2, above, which occurred on or before the date of the execution of this AVC. This release does not and is not intended, however, to constitute a waiver of the right of the State of Texas to seek enforcement in a court of competent jurisdiction of Respondents' compliance with the terms contained in this AVC.

16. It is further agreed and understood that Respondents intend to and shall cooperate in securing and obtaining compliance with the terms of this AVC, and that this AVC will be filed and placed in the public record, in compliance with Tex. COMES NOW, the STATE OF TEXAS ("State"), acting by and through its Attorney General, Ken Paxton, and MRF Enterprises, Inc. d/b/a King Discount Store and MD Hafijur Rahman, Individually (hereinafter "Respondents"), and respectfully submit the following Assurance of Voluntary Compliance ("AVC") for the Court's approval and filing in accordance with the Deceptive Trade Practices –Consumer Protection Act ("DTPA"), section 17.58 of the Texas Business & Commerce Code.

FILED
DONNA KAY McKINNEY
DISTRICT CLERK
BEXAR COUNTY

RESPONDENTS

1. MD Hafijur Rahman is an individual who resides in Texas and is the President of MRF Enterprises, Inc., a Texas Corporation. Respondents operate a dollar store, King Discount Store, located at 1264 W.W. White, San Antonio, Texas 78220.

NATURE OF ALLEGED VIOLATIONS

2. During the course of their investigation, the Consumer Protection Division ("CPD") uncovered evidence obtained from the San Antonio Police Department ("SAPD") indicating that King Discount Store, located at 1264 W.W. White, San Antonio, Texas 78220 was unlawfully selling contact lenses without requiring consumers to present a prescription upon

purchase. Such conduct, if proven, would violate Sections 17.46 (b)(2), (3), (5), (7), and (24) of the DTPA,[1] Section 353.101 of the Texas Contact Lens Prescription Act,[2] and Section 351.604 of the Texas Optometry Act.[3] Upon SAPD's discovery that Respondents were illegally selling contact lenses, Respondents voluntarily ceased selling contact lenses and have voluntarily agreed that they will continue to cease selling lenses. Respondents actively participated in the negotiations leading up to this AVC. Respondents are aware of the obligations this AVC places on them and are capable of carrying out those duties. Respondents agree entry of this AVC is in the public interest.

DEFINITIONS

3. The following definitions shall be used in construing this AVC:

§ 17.46(b)(24): "failing to disclose information concerning goods or services which was known at the time of the transaction if such failure to disclose such information was intended to induce the consumer into a transaction into which the consumer would not have entered had the information been disclosed."

[2] Section 353.101 of the Texas Contact Lens Prescription Act provides that a person, other than the prescribing physician, optometrist or therapeutic optometrist, may *not* fill a contact lens prescription or sell or dispense contact lenses to a consumer in Texas *unless* the person receives a prescription *or* verifies by direct communication a contact lens prescription to be filled.

RESPONDENTS

1. Fathehali Hirani is an individual who resides in Texas and is the President of Lotus Food Mart, Inc., a Texas Corporation. Respondents operate a dollar store, The Right Choice Food Mart #9, located at 8011 Midcrown, San Antonio, Texas 78218.

NATURE OF ALLEGED VIOLATIONS

2. During the course of their investigation, the Consumer Protection Division ("CPD") uncovered evidence obtained from the San Antonio Police Department ("SAPD") indicating that The Right Choice Food Mart # 9, located at 8011 Midcrown, San Antonio, Texas 78218 was unlawfully selling contact lenses without requiring consumers to present a prescription

upon purchase. Such conduct, if proven, would violate Sections 17.46 (b)(2), (3), (5), (7), and (24) of the DTPA,[1] Section 353.101 of the Texas Contact Lens Prescription Act,[2] and Section 351.604 of the Texas Optometry Act.[3] Upon SAPD's discovery that Respondents were illegally selling contact lenses, Respondents voluntarily ceased selling contact lenses and have voluntarily agreed that they will continue to cease selling lenses. Respondents actively participated in the negotiations leading up to this AVC. Respondents are aware of the obligations this AVC places on them and are capable of carrying out those duties. Respondents agree entry of this AVC is in the public interest.

§ 17.46(b)(3): "causing confusion or misunderstanding as to affiliation, connection, or association with, or certification by, another;"

§ 17.46(b)(5): "representing that goods or services have sponsorship, approval, characteristics, ingredients, uses, benefits, or quantities which they do not have or that a person has a sponsorship, approval, status, affiliation, or connection which he does not;"

Respondents' signature on this AVC does not constitute an admission of wrongdoing or an admission of a violation of any applicable legal provisions. This AVC is being signed in order to avoid protracted litigation and to resolve all claims and contentions asserted in connection with this proceeding.

MONETARY PROVISIONS

12. Respondents shall make available for review and provide documents, records and other tangible evidence reasonably requested by the State.

13. Respondents shall provide truthful declarations, affidavits, certifications and other written testimony that may be reasonably requested by the State.

ASSURANCE OF VOLUNTARY COMPLIANCE

TO THE HONORABLE JUDGE OF SAID COURT:

COMES NOW, the STATE OF TEXAS ("State"), acting by and through its Attorney General, Ken Paxton, and Yam Dollar Plus Store and Bahadurali Ladhani, Individually (hereinafter "Respondents"), and respectfully submit the following Assurance of Voluntary Compliance ("AVC") for the Court's approval and filing in accordance with the Deceptive Trade Practices –Consumer Protection Act ("DTPA"), section 17.58 of the Texas Business & Commerce Code.

FILED
DONNA KAY McKINNEY
DISTRICT CLERK
BEXAR COUNTY

DEPUTY
BY

RESPONDENTS

1. Bahadurali Ladhani is an individual who resides in Texas and is the owner of Yam Dollar Plus Store. Yam Dollar Plus Store is a convenience store located at 5219 S. Flores, San Antonio, Texas 78207.

NATURE OF ALLEGED VIOLATIONS

2. During the course of their investigation, the Consumer Protection Division ("CPD") uncovered evidence obtained from the San Antonio Police Department ("SAPD") indicating that Yam Dollar Plus Store, located at 5219 S. Flores, San Antonio, Texas 78207 was unlawfully selling contact lenses without requiring consumers to present a prescription upon purchase. Such conduct, if proven, would violate Sections 17.46 (b)(2), (3), (5), (7), and (24) of

the DTPA,[1] Section 353.101 of the Texas Contact Lens Prescription Act,[2] and Section 351.604 of the Texas Optometry Act.[3] Upon SAPD's discovery that Respondents were illegally selling contact lenses, Respondents voluntarily ceased selling contact lenses and have voluntarily agreed that they will continue to cease selling lenses. Respondents actively participated in the negotiations leading up to this AVC. Respondents are aware of the obligations this AVC places on them and are capable of carrying out those duties. Respondents agree entry of this AVC is in the public interest.

DEFINITIONS

3. The following definitions shall be used in construing this AVC:

   a. **"Respondents"** means Yam Dollar Plus Store and Bahadurali Ladhani, Individually, and each of their respective officers, agents, servants, employees, business entities, and any other persons in active concert or participation with Yam Dollar Plus Store or Bahadurali Ladhani, Individually.

   b. **"Contact Lenses"** means lenses which provide vision correction or lenses which are used for cosmetic or novelty purposes.

§ 17.46(b)(5): "representing that goods or services have sponsorship, approval, characteristics, ingredients, uses, benefits, or quantities which they do not have or that a person has a sponsorship, approval, status, affiliation, or connection which he does not;"

§ 17.46(b)(7): "representing that goods or services are of a particular standard, quality, or grade…if they are of another;" and
