I. GENERAL INSTRUCTIONS

Sexual Assault Prevention and Crisis Services Program (SAPCS) – PHHS Block

How to Obtain an Application Kit

The Office of the Attorney General (OAG) has posted the Application Kit on the OAG website at <https://www.texasattorneygeneral.gov/divisions/grants>. Updates and other helpful reminders about the application process will also be posted at this location. Potential applicants are encouraged to refer to this site regularly.

This Application Kit provides the information and forms necessary to prepare an Application for funding through the OAG for the SAPCS-PHHS Block Program.

- An Applicant must create an on-line account and complete the Eligibility Profile to determine for which grant(s) the Applicant is able to apply.
- An Applicant may be matched to multiple funding sources based on completed Eligibility Profile.

If eligible, an Applicant may apply for the SAPCS-PHHS Block Grant.

Applicant Registration (for Applicants who created an account during the Other Victim Assistance Grant (OVAG), Victim Coordinator and Liaison Grant (VCLG), and Sexual Assault Prevention and Crisis Services (SAPCS)-State grant application cycles)

Applicants who created accounts during the OVAG, VCLG, SAPCS-State grant, and Sexual Assault Services Program Grant application cycles are already registered in the Grant Offering and Application Lifecycle System (GOALS) system.

Registered Applicants should access their Grant Programs webpage in GOALS (top right portion of the webpage). If the answers provided on the Eligibility Profile matched to the SAPCS-PHHS Block grant, the application will be available to the Applicant.

Applicant Registration (for Applicants who did not create an account during the OVAG, VCLG, and SAPCS-State application cycles)

In order to register, an Applicant must designate one person as the point of contact to submit its grant application. To create an on-line account, the Applicant must email the following point of contact information to Grants@oag.texas.gov:

- First Name
- Last Name
- Email Address (*It is highly recommended to use a generic organization email address if available*)
- Organization Legal Name

The point of contact will receive a welcome email from Grant Offering and Application Lifecycle System (GOALS) via the Grants@oag.texas.gov email address. GOALS will prompt the point of contact to create a password. The password must be 8 characters, with at least 1 Upper Case Letter, 1 Lower Case Letter, 1 Number and 1 Special Character (@, #, \$, &, etc.). The Applicant may also choose to upload a picture.

The link for GOALS and further instructions can be found on the [OAG website](#).

The OAG strongly encourages Applicants to register by Friday, June 9, 2023 in order to have sufficient time to complete the application.

Eligibility Questions

After the on-line account is activated, the Applicant will be taken to the Grant Programs webpage (your homepage) in GOALS, where the Applicant will then be required to complete an Eligibility Profile.

The Applicant will be required to answer “*Yes or No*” questions regarding the agency type and purpose as well as provide the Council of Governments (COG) regions and counties served. The Applicant will also be asked to provide its Legislative Districts. Completing the eligibility questions will determine which grant funding solicitation the Applicant matches.

Once the Eligibility Profile is complete, select the *View Programs* button at the bottom of the screen. If the Applicant matches to a grant program that has an open solicitation, the grant funding opportunity will appear on the screen. Select and complete the grant application for that applicable funding source by clicking on the green *Apply Now* button. Note: Hard copy or Emailed Applications will not be accepted.

Application – Deadline is 5:00 p.m. CDT on Friday, June 23, 2023

If a funding source for which the Applicant is intending to apply does not appear under *Grant Programs*, there could be two possibilities:

- A grant program to which the Applicant could potentially match is not open; or
- The answers provided in the Eligibility Profile do not match any of the OAG’s open grant solicitations.

Please contact the OAG at Grants@oag.texas.gov or (512) 936-0792 if there are any questions.

To meet the deadline, the Application must be submitted via GOALS.

- All Applicants must submit the following:
 - One (1) application per matched funding source listed under *Grant Programs*.
 - The following documents must be uploaded:
 - “Statements Supporting Submission of the Application to the Office of the Attorney General” containing signatures.
 - “Resolution of Governing Body” containing signatures. (Please note that the Authorized Official must be designated by governing body signature. If the Authorized Official is also a member of the governing body, the Authorized Official must be designated by another member’s signature. The Authorized Official cannot sign the Resolution designating him/herself as the Authorized Official.)
 - Job Description(s) in PDF for each position requested on the proposed budget.
 - Support Document(s) (See definition on page 17), at least one Support Document is required for each Applicant that reflects collaboration/organizational support related to the provision

- of sexual assault services and achieving the goals of the proposed project as described in the Application
 - Completed Excel Budget using the current Budget Template. Must be uploaded in MS Excel format.
- One auto-reply message per application completed and submitted will be generated by GOALS and sent to the email associated with the Applicant's on-line account.

The OAG accepts no responsibility for delays in submission, electronic or otherwise. Applicants are strongly advised to allow for and anticipate any such delays by submitting the Application as early as possible.

Please contact the OAG at Grants@oag.texas.gov or (512) 936-0792 if there are any questions about the method of delivery. In order to better assist Applicants with their questions, the preferred contact method is email. The OAG will not consider or fund an application if it is not filed by the due date and in the manner required.

Microsoft Excel 97 or newer version as well as the *Internet* is required to create an on-line account, complete the Application, and apply for a grant. It is recommended to use the latest version of Google Chrome or Mozilla Firefox. *Adobe Reader* is required to access the Application Instructions. *Adobe Reader* can be downloaded for free at www.adobe.com.

- Additional Direct Victim Services: In addition to the required activities above, grant funds may be used for any of the following direct victim services:

SAPCS-PHHS Block Grant Program Requirements – State Sexual Assault Coalition

- Technical assistance and training to PHHS Block Grant funded Sexual Assault Programs related to direct services to victims and prevention
- Prevention (as defined in this application kit).

Staffing Requirements:

- A minimum of 75% of an Applicant’s budget must be allocated to the Personnel and

Fringe Benefits budget categories. This requirement applies to all Applicants. The OAG may grant an exception to this requirement for projects that demonstrate a need as described on the application budget. The request for exceptions are located directly beneath the Personnel Position Narratives on the Excel Budget Workbook.

- No Administrative positions will be funded.
- All Applicants are limited to no more than five positions.
- Unless otherwise indicated in this Application Kit, all Sexual Assault Program Applicants must provide at least twenty hours per week of direct victim services.
- All other grant funded positions must be on the grant for at least five (5) hours a week. Positions requested at less than five (5) hours a week will not be funded.
- Position titles listed on the budget **must match exactly, word for word** to the position title listed on the job description. It is highly recommended to use numerical labels to match the job descriptions to the numbered positions in the budget. For Example: If you enter a position title of "Advocate" in position Number 1 on the budget, place a "1" on the Advocate's job description. Each numbered position must have a corresponding job description submitted in GOALS.
- Each position listed on the budget can only be associated with one employee. If job sharing, list each position on the budget separately as many times as necessary regardless of time allocated to grant (*i.e.*, Advocate, if shared between three personnel, must be listed on three separate lines under the Personnel budget category, and three separate job descriptions must be submitted, one for each position).
- Job descriptions are required and must be submitted for all positions for which the Applicant is requesting funding. For example, if an Applicant is requesting funding for three Advocates, three Advocate job descriptions must be submitted with the application. Job descriptions must reflect activities that relate to the project's goals and must be appropriately proportionate to the time spent on activities funded by the SAPCS-PHHS Block grant. Job titles as entered in the application budget must match exactly, word for word, to the job titles as stated on the job descriptions. Job descriptions must reflect activities that relate to the project's goals and must be appropriately proportionate to the time spent on the SAPCS-PHHS Block grant. Applicants should clearly identify which activities are to be conducted with SAPCS-PHHS Block funds and if needed for clarity, show what percentage the activities are funded by SAPCS-PHHS Block. Applicants must highlight or mark the activities on the job description which will be performed on the grant. Failure to highlight or mark the job description could result in an application not being funded.

Required Training

Applicants awarded grants will be required to complete training on cyber security. The Texas Department of Information Resources currently offers a free training ([Statewide Cybersecurity Awareness Training](#)) which will meet this requirement.

Additionally, it is required that at least one grant funded person providing direct victim services complete an OAG training on the [Crime Victims' Compensation Program and Address Confidentiality Program](#) within the first year of the grant execution date. One grant funded person providing direct victim services must always be current on the OAG training requirement. If for example, the grant funded person providing direct victim services that initially completed the training is no longer employed by the agency, another grant funded person providing direct victim services must complete the training. The training requirement may be completed either by attending

an OAG conference, in person training (offered by Regional Coordinators or in Austin at the State Office), or via an online course or virtual training offered by the OAG.

Review Process

The OAG will review each complete Application submitted by the deadline by an eligible Applicant.

- At any time during the review process, an OAG staff member may contact the Applicant for additional information.
- All areas of the budget are subject to review and approval by the OAG. Decisions related to the budget are based on both eligibility and reasonableness.

Scoring

The Application will be scored on information provided by the Applicant including, but not limited to:

- Organization Summary (20% of overall score)
- Project Summary and Description of Need (20% of overall score)
- Assessment and Evaluation (5% of overall score)
- What Will Be Done (30% of overall score)
- Financial Questions (20% of overall score)
- Comprehensive Scoring Criteria (5% of overall score)

Grant Decisions

During the grant review and award process, the OAG may take into consideration other factors, at its discretion, including whether the Applicant has demonstrated acceptable past performance as a grantee in areas related to programmatic and financial stewardship of grant funds.

The OAG may choose to award a grant from a different OAG funding source than that for which the Applicant applied.

The OAG is not obligated to award a grant at the total amount requested and/or within the budget categories requested. The OAG reserves the right to make awards at amounts above and/or below the stated funding levels.

The OAG makes final decisions on what is considered a Sexual Assault Program.

All grant decisions including, but not limited to, eligibility, evaluation and review, and funding rest completely within the discretionary authority of the OAG. The decisions made by the OAG are final and are not subject to appeal.

Funding Priority

The OAG reserves the right to consider all other appropriations or funding an Applicant currently receives when making funding decisions. The OAG may give priority to Applicants that do not receive other sources of funding, including funding that originates from the OAG.

The OAG reserves the right to give priority to currently funded organizations and projects that provide direct victim services with grant funds, or that provide information and education about sexual assault victim rights in their community.

Grant Award Notification

The Applicant shall be notified in writing of the OAG's decision regarding a grant award. The OAG may utilize a grant contract document and/or a notice of grant document once a decision is made to award a grant. The Applicant will be given a deadline to accept the grant award and to return the appropriate document to the OAG within the time prescribed by the OAG. An Applicant's failure to return the signed document, via DocuSign, to the OAG within the prescribed time period will be construed as a rejection of the grant award, and the OAG may de-obligate funds.

Special Conditions

The OAG may assign special conditions at the time of the award. Until satisfied, these special conditions may affect the Applicant's ability to receive funds. If special conditions are not resolved, the OAG may de-obligate funds up to the entire amount of the grant award.

Reporting Requirements

If an Application is funded, grantees will be required to report to the OAG quarterly, in the manner and schedule as determined by the OAG. Quarterly statistical reports are due no later than the 30th day of each month following the end of the quarter. The four quarters end on the last day of the months of December, March, June, and September. Reporting on grant program activities such as demographics of victims served, outputs, and outcomes via quarterly Performance Reports will be required. If reports are not submitted by the established dates, this may affect the Applicant's ability to receive reimbursement during the grant cycle. Additional financial or programmatic information may be requested during the grant cycle at the discretion of the OAG.

Method of Payment

OAG grants are paid on a cost-reimbursement basis.

- For each Direct Victim Service that the organization is requesting funding, enter the target for the number of ***instances*** each service will be provided.

Example:

An organization serving 1 victim by providing 35 Individual Counseling sessions would count one unique victim served and 35 instances of Individual Counseling.

- Enter the % of the total cost allocated to this grant project in the % column of the Other Direct Operating Expenses Chart.

ODOE and Cost Allocation

Grantees often allocate program expenses across more than one funding source. Listed below are four allowable allocation methods and examples of how the allocation methods can be applied to the appropriate funding source.

- Other Direct Operating Expenses that benefit more than one grant should be allocated proportionately to the benefit or service received. The method used to allocate cost should be a reasonable and measurable means of distributing the cost to those grants, and consistently applied to the type of cost.
- It is acceptable to use different allocation methods for different types of ODOE expense, as long as the allocation method is applied consistently for those expenses.
- Four common and acceptable allocation methods for ODOE expenses are: (1) funding, (2) full-time equivalents (FTE), (3) square footage, and (4) direct use. Allowable methods related to specific costs are shown in the chart below: This chart is an example of using different allocation methods for different specific costs.

ALLOWABLE ALLOCATION METHODS

Cost Type	Funding	FTE	Square Footage	Direct Use
Copiers	x	x		x
Data Line	x	x		
Equip Maintenance	x	x		
Janitorial	x	x	x	
Postage	x	x		x
Printing	x	x		x
Rent	x	x	x	
Telephones	x	x		
Utilities	x	x	x	

The following are descriptions and examples of the acceptable methods:

(1) Funding Source Based: The proportion of expense borne by each funding source is allocated based on the proportion of funding provided. For example:

Funding Source Based Example	
Total Operating Budget of Grantee A	\$ 475,000
OAG Grant Funds	\$ 75,000
$75,000 \div 475,000 = 0.16$	
OAG Grant portion of the expense = 16%	
The OAG Grant should not be charged more than the allowable ODOE costs. In this example, the allowable portion is 16% of the total cost.	

(2) Full-time equivalents (FTE) Based: FTE is the numerical representation of full and part-time work activities. A person working full-time represents 1.00 FTE; a person working half-time represents .50 FTE.

Steps to calculate the annual number of FTEs:

1. Determine the total number of hours worked for all employees.
2. Divide that number by 2080 to calculate the overall total number of FTEs.
3. To obtain the number of FTEs charged to the grant, determine the total number of hours to be directly charged to the grant and divide by 2080.
4. To obtain percentage of the grant FTEs, divide the FTE total for the grant by the total of the organization FTEs calculated in step 2.
5. This calculation will provide the percentage of ODOE cost that could be allocated to the grant.

FTE Based Example	
Annual FTE Calculation	20,800 total hours charged for all staff (based on time sheets or payroll records)
	$20,800 / 2080 = 10$ FTEs overall
	5,600 staff hours charged to grant A (based on time sheets or payroll records)
	$5,600 / 2080 = 2.7$ FTE's charged to that grant A
	2.7 (FTE charged to grant A) / 10 (FTEs overall) = $.27$ (27%)
	$27\% \times$ ODOE expense = amount to be allocated to grant A

(3) Square Footage Based: This is cost calculated by measuring the square footage (sq. ft.) to determine the allocation percentage for direct use and common area. Listed below is an example to determine rent.

Direct Use is defined as an area occupied by funded grant staff under this grant.

Common Area is defined as an area shared by all employees of the organization.

Steps to Calculate Square Footage

1. Calculate the total square footage and divide by the monthly rent to determine the cost per square foot.

Total Sq. Footage = 1250; Rent = \$1200 per month; $\$1200 / 1250 = \$.96$ per sq ft
Suite 1 (Program A) $10 \times 13.8 = 138$ sq ft
Suite 2 (Program B) $10 \times 13.8 = 138$ sq ft
Suite 3 (Program C) $10 \times 13.8 = 138$ sq ft
Suite 4 (Program D) $10 \times 13.8 = 138$ sq ft
Conf. Rm (Common Area) $22 \times 15 = 330$ sq ft
Rest Rm 1 (Common Area) $6 \times 8 = 48$ sq ft
Break Area (Common Area) $8 \times 8 = 64$ sq ft
Storage Rm (Common Area) $8 \times 8 = 64$ sq ft
Hallway (Common Area) $48 \times 4 = 192$ sq ft

2. Multiply the direct use square footage by the cost per square foot. This will provide the direct use cost.

Direct Use Cost by Program	
Program A (Direct Use)	$138 \text{ sq ft} \times .96 = \132.48
Program B (Direct Use)	$138 \text{ sq ft} \times .96 = \132.48
Program C (Direct Use)	$138 \text{ sq ft} \times .96 = \132.48
Program D (Direct Use)	$138 \text{ sq ft} \times .96 = \132.48
Common Area (Allocable ODOE Expense)	$698 \text{ sq ft} \times .96 = \670.08

3. Add the total square feet of all the direct use areas (Program A+ Program B +Program C+ Program D) = Program ABCD direct use ($138 + 138 + 138 + 138 = 552$)
4. Divide each direct use space by the total direct use to obtain % to distribute Common Area cost (Program A is $138 / 552 = 25\%$).
5. Multiply this percentage by the cost of the Common Area to obtain the additional cost for each program Common Areas. (Program A = $25\% \times \text{Common Area cost of } \$670.08 = \$167.52$).
6. Program A is allocated the \$132.48 based on direct use and \$167.52 for the proportionate common area. Program A allocation for rent based on square footage is $\$132.48 + \$167.52 = \$300.00$. Repeat for Program B, Program C and Program D.

(4) Direct Use Based: This is used when the ODOE cost can be directly charged to a grant by using meter readings, copy counts, etc.

Other Direct Operating Expenses Narrative

Provide a summary justification for each item. This should include how it supports the goal of the grant.

- (b) A faith-based organization that participates in this program will retain its independence from the Government and may continue to carry out its mission consistent with religious freedom, nondiscrimination, and conscience protections in Federal law.
- (c) A faith-based organization may not use direct financial assistance from the Department to support or engage in any explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization) except when consistent with the Establishment Clause of the First Amendment and any other applicable requirements.
