I. GENERAL INSTRUCTIONS

Domestic Violence High Risk Teams Grant Program

How to Obtain an Application Kit:

The Office of the Attorney General (OAG) has posted the Application Kit on the OAG website at <https://www.texasattorneygeneral.gov/divisions/grants>. Updates and other helpful reminders about the Application process will also be posted at this location. Potential Applicants are encouraged to refer to this site for updates.

This Application Kit provides the information and forms necessary to prepare an Application for funding through the OAG for the Domestic Violence High Risk Teams Grant Program.

- An Applicant must create an on-line account and complete the Eligibility Profile to determine for which grant(s) the Applicant is able to apply.
- An Applicant may be matched to multiple funding sources based on completed Eligibility Profile.

Applicant Registration (for Applicants who created an account during the Other Victim Assistance Grant (OVAG), Victim Coordinator and Liaison Grant (VCLG), and Sexual Assault Prevention and Crisis Services (SAPCS)-State grant application cycle)

Applicants who created accounts during the OVAG, VCLG, and SAPCS-State grant application cycle are already registered in the Grant Offering and Application Lifecycle System (GOALS) system.

Registered Applicants should access their Grant Programs webpage (homepage) in GOALS and select the green View Grant Programs button. If the answers provided on the Eligibility Profile matched to the Domestic Violence High Risk Teams Grant Program, the application will be available to the Applicant.

Applicant Registration (for Applicants who did not create an account during the OVAG, VCLG, and SAPCS-State grant application cycle)

In order to register, an Applicant must designate one person as the point of contact to submit its grant application. To create an on-line account, the Applicant must email the following point of contact information to Grants@oag.texas.gov:

- First Name
- Last Name
- Email Address (*It is highly recommended to use a generic organization email address if available*)
- Organization Legal Name

The point of contact will receive a welcome email from GOALS via the Grants@oag.texas.gov email address. GOALS will prompt the point of contact to create a password. The password must be 8 characters, with at least 1 Upper Case Letter, 1 Lower Case Letter, 1 Number and 1 Special Character (@, #, \$, &, etc.). The Applicant may also choose to upload a picture to their account, such as an organization logo.

The OAG strongly encourages Applicants to register by Friday June 9, 2023, in order to have sufficient time to complete the application.

Applicants who did not create an account during the OVAG, VCLG, and SAPCS-State grant application cycle will have to complete an Eligibility Profile.

Eligibility Questions

After the on-line account is activated, the Applicant will be taken to the Grant Programs webpage (Applicant's homepage) in GOALS, where the Applicant will then need to complete the Eligibility Profile under *Your Tasks*.

The Applicant will be required to answer "Yes or No" questions regarding the agency type and purpose as well as provide the Council of Governments (COG) regions and counties served. The Applicant will also be asked to provide its Legislative Districts. Completing the eligibility questions will determine which grant funding solicitation the Applicant matches.

Once the Eligibility Profile is complete, select the *View Programs* button at the bottom of the screen. If the Applicant matches to a grant program that has an open solicitation, select and complete the grant application for that applicable funding source.

If a funding source for which the Applicant is intending to apply does not appear under *Grant Programs*, there could be two possibilities:

- A grant program to which the Applicant could potentially match is not open; or
- The answers provided in the Eligibility Profile do not match any of the OAG's open grant solicitations.

The link for GOALS and further instructions can be found on the [OAG website](#).

Application Submission – Deadline is 5:00 p.m. CDT Friday June 23, 2023

Please note: Hard copy or Emailed Applications will not be accepted.

To meet the deadline, the Application must be submitted via GOALS.

- All Applicants must submit the following:
 - One (1) application per matched funding source listed under *Grant Programs*.
 - The following documents must be uploaded:
 - "Statements Supporting Submission of the Application to the Office of the Attorney General" containing signatures.
 - "Resolution of Governing Body" containing signatures. (Please note that the Authorized Official must be designated by signature of the governing body. If the Authorized Official is also a member of the governing body, the Authorized Official must be designated by another member's signature. The Authorized Official cannot sign the Resolution designating him/herself as the Authorized Official.)
 - Job Description(s) in PDF for each position requested on the proposed budget.
 - Completed Excel Budget using the current Budget Template. Must be uploaded in MS Excel format.

- One auto-reply message per application completed and submitted will be generated by GOALS and sent to the email associated with the Applicant's on-line account.

The OAG accepts no responsibility for delays in submission, electronic or otherwise. Applicants are strongly advised to allow for and anticipate any such delays by submitting the Application as early as possible.

Please contact the OAG at Grants@oag.texas.gov or (512) 936-0792 if there are any questions about the method of delivery. In order to better assist Applicants with their questions, the preferred method of contact is email. The OAG will not consider or fund an Application if it is not filed by the due date, in the manner required

Grant Decisions

During the grant review and award process, the OAG may take into consideration other factors including whether the applicant has demonstrated acceptable past performance as a grantee in areas related to programmatic and financial stewardship of grant funds.

The OAG may choose to award a grant contract from a different OAG funding source than that for which the Applicant applied.

The OAG is not obligated to award a grant at the total amount requested and/or within the budget categories requested. The OAG reserves the right to make awards at amounts above and/or below the stated funding levels.

All grant decisions including, but not limited to, eligibility, evaluation and review, and funding rest completely within the discretionary authority of the OAG. The decisions made by the OAG are final and are not subject to appeal.

Funding Priority

The OAG reserves the right to consider all other appropriations or funding an Applicant currently receives when making funding decisions. The OAG may give priority to Applicants that do not receive other sources of funding, including funding that originates from the OAG.

Grant Award Notification

The Applicant shall be notified in writing of the OAG's decision regarding a grant award.

The OAG may utilize a grant contract document and/or a notice of grant document once a decision is made to award a grant. The Applicant will be given a deadline to accept the grant award and to return the appropriate document to the OAG within the time prescribed by the OAG. An Applicant's failure to return the signed document, via DocuSign, to the OAG within the prescribed time period will be construed as a rejection of the grant award, and the OAG may de-obligate funds.

Special Conditions

The OAG may assign special conditions at the time of the award. Until satisfied, these special conditions may affect the Applicant's ability to receive funds. If special conditions are not resolved, the OAG may de-obligate up to the entire amount of the grant award.

Reporting Requirements

If an Application is funded, grantees will be required to report to the OAG quarterly, in the manner and schedule as determined by the OAG. Quarterly statistical reports are due no later than the 30th day of each month following the end of the quarter. The four quarters end on the last day of the month of November, February, May and August. Reporting on grant project activities via quarterly Performance Reports will be required. If reports are not submitted by the established dates, this may affect the Applicant's ability to receive reimbursement. Additional financial or programmatic information may be requested during the grant cycle at the discretion of the OAG.

Method of Payment

OAG grants are paid on a cost-reimbursement basis for eligible budget costs.

- Funding for Domestic Violence High Risk Teams (Subgrants) has already been entered by the OAG.

ODOE and Cost Allocation

Grantees often allocate program expenses across more than one funding source. Listed below are four allowable allocation methods and examples of how allocation methods can be applied to the appropriate funding source.

- Other Direct Operating Expenses that benefit more than one grant should be allocated proportionately to the benefit or service received. The method used to allocate cost should be a reasonable and measurable means of distributing the cost to those grants, and consistently applied to the type of cost.
- It is acceptable to use different allocation methods for different types of ODOE expense, as long as the allocation method is applied consistently for those expenses.
- Four common and acceptable allocation methods for ODOE expenses are: (1) funding, (2) full-time equivalents (FTE), (3) square footage, and (4) direct use. Allowable methods related to specific costs are shown in the chart below: This chart is an example of using different allocation methods for different specific costs.

ALLOWABLE ALLOCATION METHODS

Cost Type	Funding	FTE	Square Footage	Direct Use
Copiers	x	x		x
Data Line	x	x		
Equip Maintenance	x	x		
Janitorial	x	x	x	
Postage	x	x		x
Printing	x	x		x
Rent	x	x	x	
Telephones	x	x		
Utilities	x	x	x	

The following are descriptions and examples of the acceptable methods:

(1) Funding Source Based: The proportion of expense borne by each funding source is allocated based on the proportion of funding provided. For example:

Funding Source Based Example	
Total Operating Budget of Grantee A	\$ 475,000
OAG Grant Funds	\$ 75,000
$75,000 \div 475,000 = 0.16$	
OAG Grant portion of the expense = 16%	
The OAG Grant should not be charged more than the allowable ODOE costs. In this example, the allowable portion is 16% of the total cost.	

(2) Full-time equivalents (FTE) Based: FTE is the numerical representation of full and part-time work activities. A person working full-time represents 1.00 FTE; a person working half-time represents .50 FTE.

Steps to calculate the annual number of FTEs:

1. Determine the total number of hours worked for all employees.
2. Divide that number by 2080 to calculate the overall total number of FTEs.
3. To obtain the number of FTEs charged to the grant, determine the total number of hours to be directly charged to the grant and divide by 2080. (2080 is the number of hours per year for a full-time FTE at 40 hours per week).
4. To obtain percentage of the grant FTEs, divide the FTE total for the grant by the total of the organization FTEs calculated in step 2.
5. This calculation will provide the percentage of ODOE cost that could be allocated to the grant.

FTE Based Example	
Annual FTE Calculation	20,800 total hours charged for all staff (based on time sheets or payroll records)
	$20,800 / 2080 = 10$ FTEs overall
	5,600 staff hours charged to grant A (based on time sheets or payroll records)
	$5,600 / 2080 = 2.7$ FTE's charged to that grant A
	2.7 (FTE charged to grant A) / 10 (FTEs overall) = $.27$ (27%)
	$27\% \times$ ODOE expense = amount to be allocated to grant A

(3) Square Footage Based: This is cost calculated by measuring the square footage (sq. ft.) to determine the allocation percentage for direct use and common area. Listed below is an example to determine rent.

Direct Use is defined as an area occupied by funded grant staff under this grant.
Common Area is defined as an area shared by all employees of the organization.

Steps to Calculate Square Footage

1. Calculate the total square footage and divide by the monthly rent to determine the cost per square foot.

Total Sq. Footage = 1250; Rent = \$1200 per month; $\$1200 / 1250 = \$.96$ per sq ft
Suite 1 (Program A) $10 \times 13.8 = 138$ sq ft
Suite 2 (Program B) $10 \times 13.8 = 138$ sq ft
Suite 3 (Program C) $10 \times 13.8 = 138$ sq ft
Suite 4 (Program D) $10 \times 13.8 = 138$ sq ft
Conf. Rm (Common Area) $22 \times 15 = 330$ sq ft
Rest Rm 1 (Common Area) $6 \times 8 = 48$ sq ft
Break Area (Common Area) $8 \times 8 = 64$ sq ft
Storage Rm (Common Area) $8 \times 8 = 64$ sq ft
Hallway (Common Area) $48 \times 4 = 192$ sq ft

2. Multiply the direct use square footage by the cost per square foot. This will provide the direct use cost.

Direct Use Cost by Program	
Program A (Direct Use)	138 sq ft x .96 = \$132.48
Program B (Direct Use)	138 sq ft x .96 = \$132.48
Program C (Direct Use)	138 sq ft x .96 = \$132.48
Program D (Direct Use)	138 sq ft x .96 = \$132.48
Common Area (Allocable ODOE Expense)	698 sq ft x .96 = \$670.08

3. Add the total square feet of all the direct use areas (Program A+ Program B + Program C+ Program D) = Program ABCD direct use (138 + 138 + 138 + 138 = 552).
4. Divide each direct use space by the total direct use to obtain % to distribute Common Area cost (Program A is $138 / 552 = 25\%$).
5. Multiply this percentage by the cost of the Common Area to obtain the additional cost for each program Common Areas. (Program A = $25\% \times \text{Common Area cost of } \$670.08 = \$167.52$).
6. Program A is allocated the \$132.48 based on direct use and \$167.52 for the proportionate Common Area. Program A allocation for rent based on square footage is $\$132.48 + \$167.52 = \$300.00$. Repeat for Program B, Program C and Program D.

(4) Direct Use Based: This is used when the ODOE cost can be directly charged to a grant by using meter readings, copy counts, etc.

Other Direct Operating Expenses Narrative

Provide a summary justification for each item. This should include how it supports the goal of the grant.

The Applicant shall operate with complete independence and objectivity without actual, potential, or apparent conflict of interest with respect to the activities conducted under this grant.

Without diminishing the provisions of the prior paragraph, the Applicant assures that as a grantee, grantee personnel, members of a grantee board or governing body, or other persons affiliated with the grant project shall not participate in any proceeding or action where grant funds personally benefit, directly or indirectly, the individuals or their relatives unless otherwise provided by law as applicable under Texas Government Code, Chapter 2252. For the purposes of this provision, "relatives" means persons related to the individual within the third degree by consanguinity or within the second degree by affinity, as determined by Chapter 573 of the Government Code. Grant personnel and officials must avoid any action that results in or creates the appearance of using their official positions for private gain; giving preferential treatment to any person; losing independent judgment or impartiality; making an official decision outside of official channels; or adversely affecting the confidence of the public in the integrity of the program or the OAG.
