## OFFICE OF THE ATTORNEY GENERAL

## RELOCATION AND RENTAL ASSISTANCE ACKNOWLEDGMENT

Article 56.42(d) of Texas Code of Criminal Procedure makes help with relocation and housing rental costs available to a person who is a victim of stalking, family violence, trafficking of persons, or sexual assault that occurred in the victim's place of residence, who are eligible for benefits with the Crime Victims' Compensation Program (CVC).

Article 56.42(d)(1) provides for up to \$2000 to be used for relocation expenses including:

- rental deposit and pet deposit
- utility connections limited to electricity, gas, water, and one telephone line (for dates of crime on or after 10/30/14: security system, internet, and television connections)
- expenses relating to moving of belongings
- mileage expenses for actual move
- transportation/lodging/meals for out-of-state moves

Article 56.42(d)(2) also provides for up to \$1800 to be used for rent. (CVC awards 3 months of rent up to \$1800)

By law, a victim may be paid for relocation and rental expenses one time only.

In order to receive help with relocation, the Crime Victims' Compensation Program recommends that the victim develop a safety and relocation plan with a local victim assistance professional. The victim is encouraged to work with the victim assistance professional in finding a suitable location and residence for the victim.
