AND BRISTOL-MYERS SQUIBB CO., WATSON PHARMA, INC.

("Watson") and Danbury Pharmacal, Inc. ("Danbury"), through their undersigned counsel, (collectively, the "Parties"). Any State electing to enter into this Settlement Agreement shall do so by executing a signature page, included as attachment 8, which shall be appended to this Agreement.

WHEREAS, many of the Litigating Plaintiff States (as defined in Section I.K below) in December, 2001, filed suit against BMS in the United States District Court for the Southern District of New York on their own behalf, on behalf of state and local agencies and consumers, and through their equitable or common law authority or as representative of or *parens patriae* on behalf of natural person citizens of those states, alleging monopolization, attempted monopolization, and

agreements in restraint of trade, in violation of federal and state antitrust and unfair competition or consumer protection laws, and seeking, among other things, damages and injunctive relief;

WHEREAS, in an Amended Complaint filed in January, 2002, Watson Pharma, Inc. and Danbury Pharmacal, Inc. (collectively "Watson") were made defendants to this Action;

WHEREAS, a Sixth Amended Complaint will be filed by the Plaintiff States adding those States which have chosen to participate in this Settlement Agreement;

WHEREAS, Litigating Plaintiff States have conducted an extensive investigation relating to the claims and underlying events and transactions alleged in the Plaintiff States' initial and amended Complaints, as well as extensive legal research and, as a result, the Litigating Plaintiff States are thoroughly familiar with the liability and damages aspects of the claims they have asserted in their initial and amended Complaints;

WHEREAS, as a result of the Parties' extensive arm's-length negotiations, the Litigating Plaintiff States have concluded that the proposed settlement embodied in this Settlement Agreement is fair, adequate and reasonable considering the sharply contested legal and factual issues involved in these actions and the risks and costs attendant upon further prosecution of these actions;

WHEREAS, Defendants, likewise recognizing the risks and costs attendant upon further litigation of the claims in these actions, and while continuing to deny vigorously the allegations, any violation of law or wrongdoing, and any liability with respect to any and all claims asserted in the Plaintiff States' Complaint, have concluded that it is desirable that all claims asserted against Defendants in this action be compromised and settled;

WHEREAS, the Parties have each determined it to be in their respective best interests to resolve this dispute and enter into this Settlement Agreement;

F. In consideration of the monetary and injunctive provisions contained in this Settlement Agreement:

1. Subject to the provisions of paragraph 2, upon the Effective Date, each of the

In addition, subject to the provisions of paragraph (2), upon the Effective Date, the Releasors hereby expressly waive and release any and all provisions, rights or benefits conferred by Section 1542 of the California Civil Code,<sup>1</sup> or by any similar, comparable or equivalent

<sup>1</sup> Section 1542 reads: "General Release; extent. A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing

law of any state or territory of the United States. Each Releasor may hereafter discover facts other than or different from those which he, she or it knows or believes to be true with respect to the claims which are the subject matter of this paragraph, but upon the Effective Date each Releasor hereby expressly waives and fully, finally and forever settles and releases, any known or unknown, suspected or unsuspected, contingent or non-contingent claim with respect to the subject matter of the provisions of this paragraph whether or not concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

2. "Released Claims" excludes claims that do not arise from or relate to the facts, matters, transactions, events, occurrences, acts, disclosures, statements, omissions, or failures to act set forth or alleged by the Litigating Plaintiff States in *State of Alabama, et al v. Bristol-Myers Squibb, et al.*, MDL No. 1413 (S.D.N.Y.), such as claims relating to Best Price or Average Wholesale Price reporting practices or Medicaid Fraud or Abuse.

G. Each Releasor hereby covenants and agrees that it shall not, hereafter, seek to establish liability against any of the Releasees based, in whole or in part, upon any of the Released Claims.

H. BMS warrants that, as of the date of this Settlement Agreement, neither it nor any of its affiliates, are insolvent, nor will any payment to the Consumer Fund and Agency Account render it or any of its affiliates insolvent, within the meaning of and/or for the purposes of the United States Bankruptcy Code. If a case is commenced with respect to BMS or any of its affiliates, under Title 11 of the United States Code (Bankruptcy), or a trustee, receiver or conservator is appointed under \_\_\_\_\_ the release, which if known by him must have materially affected his settlement with the debtor."

any similar law, and in the event of the entry of a final order of a court of competent jurisdiction determining the payment of the principal amount of the Consumer Fund or Agency Account, and any accrued interest, or any portion thereof, by or on behalf of BMS or any affiliate of BMS, to be a preference, voidable transfer, fraudulent transfer or similar transaction, and if pursuant to an order of a court of competent jurisdiction monies paid by BMS or any of its affiliates, into the Consumer Fund or the Agency Account pursuant to this agreement are either not delivered or are returned to BMS or any of its affiliates, or the trustee, receiver, or conservator appointed by a court in any bankruptcy proceeding with respect to BMS or any of its affiliates, then this Settlement Agreement shall be terminated and cancelled as set forth in Section X herein. Such termination and cancellation will be the sole and exclusive remedy of the Releasors for breach of this warranty.

#### **V. SETTLEMENT ADMINISTRATION**

A. The Escrow Agent for the Consumer Fund and Agency Account (collectively, the "Settlement Accounts") shall be selected by the Plaintiff States based upon a solicitation of competitive bids from five (5) independent financial institutions. The Escrow Agent shall invest the Consumer Fund and Agency Account in obligations of, or obligations guaranteed by, the United States of America or any of its departments or agencies, or in pre-funded or escrowed municipal bonds which are federally insured, to obtain the highest available return on investment, and shall reinvest the proceeds of these instruments as they mature in similar instruments at their then current market rates. The terms of any such investment shall not exceed ninety days. Any losses shall not

be recoverable from Defendants or their counsel and Defendants and their counsel shall have no responsibility for the Escrow Agent's performance. So long as the Escrow Agent has followed the investment requirements of the Final Escrow Agreement, neither Defendants nor Plaintiff States' Representative shall direct the Escrow Agent to liquidate any investment in the Escrow Funds prior to its maturity. The Escrow Agent shall bear all risks related to the investment of the Escrow Funds. All such investments (including principal, interest and sale proceeds) shall at all times constitute a part of the Escrow Funds, and all income, interest and profits on such investments shall become a part of and credited to the Escrow Funds.

B. The Settlement Accounts shall be administered pursuant to the Consumer Distribution Plan, the Government Compensation Plan, the Escrow Agreement, the Final Escrow Agreement, this Settlement Agreement, and any order of the Court, as applicable.

C. All funds held in the Settlement Accounts shall be deemed to be in *custodia legis* of the Court, and shall remain subject to the jurisdiction of the Court, until such Settlement Accounts are fully distributed, or upon further order(s) of the Court.

D. Tax Treatment of Settlement Accounts

1. The Settlement Accounts shall be treated as being at all times qualified settlement funds within the meaning of Treas. Reg. 1.468B-1. The Escrow Agent and, as required, the Parties shall timely make such elections as necessary or advisable to carry out the provisions of this Section V.D., including the "relation-back election," as defined in Treas. Reg. 1.468B-1, back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulation. It shall be the responsibility of the Escrow Agent to

timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

2. The Escrow Agent shall be the "administrator" (as defined in Treas. Reg. 1.468B-2(k)(3)) of the Settlement Accounts. The Escrow Agent shall timely and properly file all informational and other tax returns necessary or advisable with respect to the Settlement Accounts (including, without limitation, the returns described in Treas. Reg. 1.468B-2(k) and (l)). Such returns (as well as the election described in Section V.D.1.) shall be consistent with this Section V.D. and in all events shall reflect that all taxes (including any estimated taxes, interest or penalties) on the income earned by the Settlement Accounts shall be paid out of the appropriate Settlement Account as provided in Section V.D.3 herein.

3. All (i) taxes (including any estimated taxes, interest or penalties) arising with respect to the income earned by a Settlement Account, including any taxes or tax detriments that may be imposed upon BMS with respect to any income earned by a Settlement Account for any period during which such Settlement Account does not qualify as a qualified settlement fund for federal or state income tax purposes ("Taxes"), and (ii) expenses and costs incurred in connection with the operation and implementation of this Section V.D. (including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in this Section V.D.) ("Tax Expenses"), shall be paid out of the affected Settlement Account.

4. Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement and shall be timely paid by the Escrow Agent out of the appropriate Settlement Account with respect to which such Taxes and/or Tax Expenses have accrued, without prior order from the Court. The Escrow Agent shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution out of the appropriate Settlement Account any funds necessary to pay such amounts including the establishment for adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. 1.468B-2(1) & (2)).

5. BMS and the Plaintiff States agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of this Section V.D. For purposes of this Section V.D., references to a Settlement Account shall include such Settlement Account and any earnings thereon.

E. Defendants and their counsel will have no responsibility or liability, and no person shall have any claim against Defendants or their counsel, for any distributions from the Settlement Accounts or interest earned thereon, or any reporting requirements that may relate thereto. No person shall have any claim against any of the Plaintiff States, their respective counsel, the Escrow Agent or any agent designated by the Escrow Agent based on the distributions made substantially in accordance with this Settlement Agreement and any orders of the Court.

The Consumer Distribution Plan shall be consistent with the Guidelines Governing Development of Consumer Distribution Plan, included as Attachment 7 to this Settlement Agreement.

D. Timing of Disbursements:

1. The Escrow Agent shall pay the cost of administering this Settlement Agreement, as specified in Section VI.A. above, as these costs accrue, upon submission to the Escrow Agent of invoices for these costs as provided in the Final Escrow Agreement.

A. Within 14 days after execution of this Settlement Agreement, Liaison Counsel for Plaintiff States shall file a motion for Preliminary Approval of the Settlement Agreement with the Court. This motion shall include this Settlement Agreement and attachments, a proposed Notice Plan, the Plaintiff States' Consumer Distribution Plan and the Preliminary Approval Order. The Preliminary Approval Order shall be substantially in the form of Attachment 3.

B. Within ninety (90) days after entry by the Court of the Preliminary Approval Order, Liaison Counsel for Plaintiff States shall effectuate the Notice Plan.

C. The Parties contemplate a notice period of ninety (90) days, or such other time period as set by the Court ("Notice Period"). Within ninety (90) days following the conclusion of the Notice Period, Liaison Counsel for Plaintiff States shall file with the Court a motion seeking final approval of the Final Judgment and Order. The Final Judgment and Order shall be substantially in the form of Attachment 2. Counsel for all of the Parties shall use all reasonable efforts to obtain the entry of the Final Judgment and Order.

## **VIII. COOPERATION AND IMPLEMENTATION**

A. The Parties, and their respective counsel, agree to use all reasonable, practicable efforts and to take all steps reasonably necessary to effectuate this Settlement Agreement.

B. The parties agree, subject to the approval of the Court, that discovery shall be stayed except to the extent discovery is necessary with respect to opt-outs from the Settling Members of the Settlement Group and for the purposes of administering and consummating this

Settlement Agreement. In the event that the Settlement Agreement is not approved by the Court or the settlement does not become final, discovery will resume in *State of Alabama, et al v. Bristol-Myers Squibb, et al*, MDL 1413 (S.D.N.Y.), in a reasonable manner to be approved by the Court.

#### **IX. BENEFIT AND BINDING EFFECT**

A. The terms of this Settlement Agreement shall be binding on, and shall inure to the benefit of, the Parties and the Settling Members of the Settlement Group and their predecessors, successors and assigns. The Parties expressly disclaim any intention to create rights under this Settlement Agreement which may be enforced by any other person under any circumstances whatsoever, except as provided in this Settlement Agreement.

B. The terms of this Settlement Agreement may be entered into by the Attorney General of any state who takes the following actions within 60 days of the execution of this Settlement Agreement:

1. Signs a signature page which will be appended onto the body of the Settlement Agreement in the form provided in Attachment 8; and
2. Designates the Liaison Counsel for Plaintiff States to represent such state and agrees to be named as a plaintiff in the Plaintiff States' Sixth Amended Complaint.

## **X. EFFECT OF TERMINATION OR DISAPPROVAL**

A. If this Settlement Agreement is not approved or is terminated, cancelled, voided or the Effective Date does not occur for any reason, all monies paid into the Consumer Fund and the Agency Account, and any interest and income accrued thereon, shall be refunded to BMS, reduced by the amount of actual out-of-pocket costs and expenses incurred or committed in the administration of this Settlement Agreement to the date of disapproval, cancellation, termination, voiding or the Effective Date not occurring. Refund to BMS shall occur within five (5) business days of BMS sending notice to the Escrow Agent and Liaison Counsel for the Plaintiff States of the disapproval, cancellation, termination, voiding or the Effective Date not occurring. In such event, this Settlement Agreement shall become null and void, shall have no further force and effect, and the Plaintiff States shall retain full rights to assert any and all causes of action against Defendants, and Defendants shall retain any and all defenses thereto. This action shall thereupon revert forthwith to its procedural and substantive status prior to the date of execution hereof and shall proceed as if this Settlement Agreement, and all other related orders and papers, including the Stipulated Injunction, had not been executed, and the Parties shall jointly request that any order contemplated hereby, including the Stipulated Injunction, which shall have been entered, be vacated. Notwithstanding the foregoing, the provisions of Section XI. I. shall survive the termination of this Settlement Agreement for any reason.

B. If the Court does not enter the orders or judgments contemplated by this Settlement Agreement in substantially the form provided herein, or if the Court enters the orders or judgments

and appellate review is sought, and on such review any such order or judgment is materially modified, then this Settlement Agreement can be cancelled and terminated, subject to the provisions of this Settlement Agreement, by any Party to this Settlement Agreement within thirty (30) days from the date of the mailing of such ruling to such Parties, by providing written notice to all other Parties hereto of that Party's belief that a material modification has been made. If thirty (30) days from the mailing of such ruling to the Parties expires, and no notice has been received of a Party's belief that a material modification has been made, the Settlement will proceed. A denial of or modification of the States' request for fees and costs or the Consumer Distribution Plan is not a material modification and shall not be grounds for termination.

C. Defendants may elect to terminate this Settlement Agreement if, after the date fixed by the Court for natural persons to exclude themselves from participation in this Settlement, the number of Self-insured Natural Persons in the United States (including Puerto Rico) excluding themselves from this settlement exceeds the number specified in the letter dated March 7, 2003 from Alan Barr to Richard Stark. Within thirty (30) days following the date fixed by the Court for natural persons in the Plaintiff States to exclude themselves, Co-lead Counsel for the Plaintiff States shall provide to Defendants by Certified Mail or Overnight Delivery Service written notice of the identity of all natural persons who have opted out. Defendants' option to terminate the Settlement Agreement shall be exercised, if at all, within ten (10) business days of receipt of the information required to be provided by such notice. Defendants' election to terminate the Settlement Agreement shall be by written notice served upon all Co-lead Counsel for the Plaintiff States by facsimile and

by Certified Mail or Overnight Delivery Service, and Defendants shall file a copy of such notice with the Court. In the event Defendants exercise this option, this Settlement Agreement shall be null and void.

Any failure by any Party to insist upon the strict performance by any other Party of any of the provisions of this Settlement Agreement shall not be deemed a waiver of any of the provisions hereof, and that Party, notwithstanding that failure, shall have the right thereafter to insist upon the strict performance of any and all of the provisions of this Settlement Agreement to be performed by the other Party.

Any one of the Parties may, from time to time, change the address to which such notices, requests, consents, directives, or communications are to be delivered, by giving the other Parties prior written notice of the changed address, in the manner herein above provided.

H. This Settlement Agreement, including, but not limited to, the releases contained herein, shall be governed by, and construed in accordance with, the laws of the State of New York without regard to its choice of law or conflict of laws principles. The Parties agree that the Final Judgment and Order shall provide that the Court shall retain jurisdiction to enforce all provisions and terms of this Settlement Agreement. This Settlement Agreement shall be enforced in the United States District Court for the Southern District of New York. The Parties, on behalf of themselves and the Settling Members of the Settlement Group, waive any objection that each of them may now have or hereafter have to this venue, whether for this Settlement Agreement or for any related suit, action or proceeding and irrevocably consent to the jurisdiction of the Court and agree to accept and acknowledge service in any such suit, action or proceeding.

I. Neither this Settlement Agreement, nor any negotiations preceding it, nor any

proceedings undertaken in accordance with the terms set forth herein, shall be construed as or deemed to be evidence of or an admission or concession by Defendants as to the validity of any claim that Releasers have or could have asserted against them or as to any liability by them, which liability is hereby expressly denied and disclaimed by Defendants. Neither this Settlement Agreement, nor any of its provisions, nor any statement or document made or filed in connection herewith (including the Stipulated Injunction, its terms, any consent order entered into between BMS and the Federal Trade Commission concerning or relating to the matter alleged in this action and the terms of such consent order), shall be filed, offered, received in evidence or otherwise used in any action or proceeding or in any arbitration, except in connection with the Parties' application for approval or enforcement of this Settlement Agreement and all proceedings incident thereto, including requests for attorneys' fees, costs and disbursements and compensation to Litigating Plaintiff States. The fact of this Settlement will not be used in any proceeding except for the purposes of enforcing this Settlement Agreement.

J. Within 30 days after the Effective Date and at the request of the Party or entity that produced the materials or documents, to the extent allowed by law, the Plaintiff States and Defendants shall return all materials and documents produced by any Party or non-party in this action to the person or entity that produced the materials or documents. If no request is made within 30 days, and to the extent allowed by law, the materials and documents will be immediately destroyed. In the event that materials or documents are destroyed, the Plaintiff States and Defendants shall provide prompt notice to the person or entity that produced them, certifying their destruction. In the

event that the Plaintiff States are requested by subpoena or other legal process (including freedom of information requests) to provide materials or documents produced in this action to any person prior to the time said materials or documents are returned or destroyed in accordance with the provisions stated above, they shall promptly inform the Defendants of the subpoena or legal process, shall decline to waive any privileges and objections to disclosure as may exist, shall reasonably cooperate with the Defendants who shall have the right and responsibility to challenge such subpoena or legal process.

K. Notwithstanding Section XII. above, this Settlement Agreement may be pleaded as a full and complete defense to any action, suit or other proceeding that has been or may be instituted, prosecuted or attempted with respect to any of the Released Claims and may be filed, offered and received into evidence and otherwise used for this purpose. The Parties agree that for any such proceeding, the Court or any court of competent jurisdiction may enter an injunction restraining prosecution of such proceeding. The Parties further agree that this Settlement Agreement may be pleaded as necessary for the purpose of enforcing the Settlement Agreement.
