Subject: HOLY GREETINGS

Dear Beloved in Christ,

It is by the grace of God that I received Christ, knowing the truth and the truth have set me free. Having known the truth, I had no choice than to do what is lawful and right in the sight of God for eternal life and in the sight of man for witness of God's mercy and glory upon my life.

I have the pleasure to share my testimony with you, having seen your contact from the Internet. I am Barrister Frank, the legal adviser to late Mr. and Mrs. David Jones, a British couple that lived in my Country Nigeria for 25 years before they both died in the plane crash late last year. These couples were good Christians, they so dedicated to God but they had no child till they died. Throughout their stay in my country, they acquired a lot of properties like lands, house properties, etc.

As their legal adviser, before their death, the husband Mr. David Jones instructed me to write his WILL. Because they had no child, they dedicated their wealth to God. According to the WILL, the properties have to be sold and the money be given out to a ministry for the work of God.

As their legal adviser, all the documents for the properties were in my care. He gave me the authority to sell the properties and give out the fund to the Ministries for the work of God.
