OR92-2

Dear Ms. Courter:

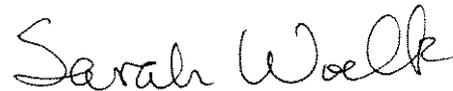

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 14475.

You have received a request for information relating to the methods and criteria used by the Texas Department of Public Safety ("the department") to identify specific persons in crime assessment profiles. Specifically, the requestor seeks all training materials, memoranda, reports, policy directives, audio and video tape, photographs, slides, sketches, or other materials which relate to the department's Crime Profile Assessment Program. You claim the requested materials are excepted from required public disclosure by section 3(a)(8) of the Open Records Act. We have examined the information submitted to us for review and conclude that the pamphlet may be withheld in its entirety from required public disclosure under section 3(a)(8) of the Open Records Act. *See generally* Open Records Decision No. 531 (1989).

Because case law and prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with

a published open records decision. If you have questions about this ruling, please refer to OR92-2.

Yours very truly,

Sarah Woelk
Assistant Attorney General
