DAN MORALES
ATTORNEY GENERAL

Mr. Scott Humphrey
Staff Attorney, Legal Division
Texas Air Control Board

OR92-160

Dear Mr. Humphrey:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 15383.

You sought an open records decision from this office pursuant to section 7(c) of the act. Consequently, this office notified representatives of Golden Aluminium Company that we received your request for an open records decision regarding the open records request from Mr. Dennis Arfmann. In our letter to Golden Aluminium, this office requested an explanation as to why portions of the Texas Air Control Board's classification records on Golden Aluminium were excepted from public disclosure.

Representatives of Golden Aluminium have advised this office that they do not object to the release of the requested information. Because neither you nor Golden Aluminium have contended to this office that the requested information should be withheld, you should release the information at this time. If you have any questions regarding this letter, please refer to OR92-160.

Yours very truly,

A handwritten signature in cursive script that reads "Rick Gilpin".
