Mr. Jeff Hankins

OR92-209

Dear Mr. Hankins:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 15247.

The Texas Department of Insurance (the "department") has received a request for information relating to two insurance companies. Specifically, the requestor seeks "a copy of any and all documentation reflecting investigations, market conduct surveys, fines, etc. on Transport Life and the Keith Wood Agency." You claim that the requested information is excepted from required public disclosure by sections 3(a)(1) and 3(a)(3) of the Open Records Act.

Previous open records decisions issued by this office resolve your request. Section 3(a)(3) excepts

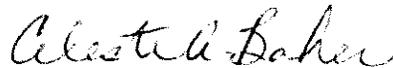

information relating to litigation of a criminal or civil nature and settlement negotiations, to which the state or political subdivision is, or may be, a party, or to which an officer or employee of the state or political subdivision, as a consequence of his office or employment, is or may be a party, that the attorney general or the respective attorneys of the various political subdivisions has determined should be withheld from public inspection.

Section 3(a)(3) applies only when litigation in a specific matter is pending or reasonably anticipated and only to information clearly relevant to that litigation. Open Records Decision No. 551 (1990). The litigation exception may be applied to records relating to a contested case before an administrative agency subject to the Administrative Procedure and Texas Register Act (APTRA), V.T.C.S. article 6252-13a. Open Records Decision Nos. 588 (1991); 368 (1983). "Whether litigation is reasonably anticipated must be determined on a case-by-case basis." Open Records Decision No. 452 (1986) at 4.

Article 1.33A of the Insurance Code Provides that the department is generally subject to APTRA. The department represents that the requested information relates to an investigation of two insurance companies for possible violations of state insurance laws and that it anticipates that the investigation will culminate in a contested administrative case subject to APTRA with the named insurance companies as parties. Having examined the documents submitted to us for review as responsive to the request, we agree that those documents relate to the anticipated litigation and may be withheld from required public disclosure under section 3(a)(3) of the Open Records Act. Please note that this ruling applies only until the resolution of the matter and to the documents at issue here. As we resolve this matter under section 3(a)(3), we need not address the applicability of section 3(a)(1) at this time.

Because case law and prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please refer to OR92-209.

Yours very truly,

Celeste A. Baker  
Assistant Attorney General
