Dear Mr. Castaneda:

You have asked this office to reconsider its decision in Open Records Letter No. 96-0146 (1996), which concerned a request for information relating to a particular project. Your request was assigned ID# 38804.

The Dallas Area Rapid Transit received a request under chapter 552 of the Government Code for documents relating to Contract No. 93000076, the OC-1 project. You contended that the requested information was excepted from required public disclosure under section 552.103(a) of the Government Code. This office determined that section 552.103(a) was inapplicable.

We have considered your arguments, but we decline to withdraw our decision in Open Records Letter No. 96-0146 (1996). The documents at issue must be disclosed.

If you have questions about this ruling, please contact our office.

Yours very truly,

A handwritten signature in black ink, appearing to read "Ruth H. Soucy".

Ruth H. Soucy  
Assistant Attorney General  
Open Records Division
