Dear Ms. Soldano:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 100611.

The Texas Department of Transportation (the "department") asks whether it can withhold from required public disclosure certain information. However, this office ruled on that request in Open Records Letter No. 94-0017 (1994). In that ruling, we concluded that the department could withhold certain of the requested information from disclosure under section 552.103. We enclose a copy of Open Records Letter No. 94-0017 (1994) for your information. You do not indicate that the department has received another request for this information. Therefore, there is no active request for this office to consider. See Gov't Code § 552.301(a). Accordingly, we are closing this file. If you have questions, please contact our office.

Yours very truly,

A handwritten signature in cursive script that reads "Stacy E. Sallee".
