Dear Mr. Ybarra:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 37847.

The Office of the Attorney General received a request for documents relating to an investigation of a particular entity. You have submitted various records for our review and claim that you may withhold the records under section 552.101 of the Government Code.

We have reviewed the documents and conclude that the records are confidential under section 552.101 of the Government Code in conjunction with section 48.101 of the Human Resources Code.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,
