Dear Ms. Hunter:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 103827.

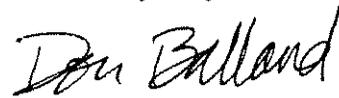

The Georgetown Police Department received a request for the incident report at Richarte High School. You state that you have released some of the requested information to the requestor. You claim that the remaining information is excepted from required public disclosure by section 552.108 of the Government Code. We have considered the exception you claim and have reviewed the documents at issue.

Section 552.108 excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime," and "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution." Gov't Code § 552.108; see *Holmes v. Morales*, 924 S.W.2d 920 (Tex. 1996). We note, however, that information normally found on the front page of an offense report is generally considered public. *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), writ *ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976); Open Records Decision No. 127 (1976). Thus, you must release the type of information that is considered to be front page offense report information, even if this information is not actually located on the front page of the offense report. See *Houston Chronicle*, 531 S.W.2d at 187. The documents at issue deal with the detection, investigation, or prosecution of crime. We therefore conclude that, except for front page offense report information, section 552.108 of the Government Code excepts the requested records from required public disclosure, although you may choose to release all or part of the information at issue that is not otherwise confidential by law. Gov't Code § 552.007.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue

under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

Don Ballard
Assistant Attorney General
Open Records Division
