OR97-1448

Dear Mr. Steiner:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 106976.

The City of Austin (the "city") received a request for a complete report relating to incident number 97-0870891. You assert that the information is excepted from disclosure pursuant to section 552.108 of the Government Code. We have considered your argument and have reviewed the information submitted.

Section 552.108 excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime," and "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution." Gov't Code § 552.108; *see Holmes v. Morales*, 924 S.W.2d 920 (Tex. 1996). Because the requested police report comes within the purview of section 552.108, we conclude that most of the information at issue may be withheld under this section.

We note, however, that information normally found on the front page of an offense report is generally considered public. *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976); Open Records Decision No. 127 (1976). Thus, you must release the types of information that are considered to be front page offense report information, including a detailed description of the offense, even if this information is not actually located on the front page of the offense report. Although section 552.108 authorizes you to withhold the remaining

information from disclosure, you may choose to release all or part of the information at issue that is not otherwise confidential by law. *See* Gov't Code § 552.007.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

Michael A. Pearle
Assistant Attorney General
Open Records Division
