Dear Lieutenant Cox:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 114620.

The Bell County Sheriff's Office received a request for the incident report involving a specific case. You assert that the requested information is excepted from required public disclosure by section 552.101 of the Government Code. We have considered the exception you claim and have reviewed the documents at issue.

You assert that the information at issue is made confidential by section 261.201(a) of the Family Code, and is therefore, protected from disclosure by section 552.101. Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information protected by other statutes. Section 261.201(a) of the Family Code provides that

(a) The following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed

in an investigation under this chapter or in providing services  
as a result of an investigation.

The requested information here consists of "files, reports, records, communications, audiotapes, videotapes, and working papers used or developed" in an investigation conducted under chapter 261 of the Family Code. Fam. Code §§ 261.001(1)(a)(C), 261.103(1). We believe subsection (a) is applicable to the requested information. Thus, you must withhold the requested information.<sup>1</sup>

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

Don Ballard  
Assistant Attorney General  
Open Records Division
