Dear Mr. Kral:

You have asked whether certain information is subject to required public disclosure under the Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 123918

You assert that the requested information is excepted from disclosure based on section 552.108 of the Government Code.<sup>1</sup> Section 552.108(a)(2) excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Based on the information you provided, we understand you to assert that the requested information pertains to a case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree that section 552.108(a)(2) is applicable.

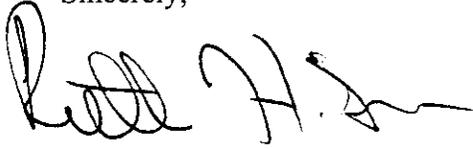

However section 552.108 is inapplicable to basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). We believe such basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, with the exception of the basic front page offense and arrest information, you may withhold the requested information from disclosure based on section 552.108(a)(2). We note that you have the discretion to release all or part of the remaining information that is not otherwise confidential by law. Gov't Code § 552.007.

<sup>1</sup>We note that the requestor seeks medical records, but the submitted documents are not medical records. We address your arguments as to the records actually submitted.

We are resolving this matter with this informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and may not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Sincerely,

A handwritten signature in black ink, appearing to read "Ruth H. Soucy". The signature is fluid and cursive, with a large initial "R" and "H".
