Mr. Brendan Hall
City Attorney
City of Harlingen
P.O. Box 22907
Harlingen, Texas 78551

OR99-1572

Dear Mr. Hall:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 124683.

The City of Harlingen (the "city") received a request for "[p]erformance evaluations of all police officers in all divisions from the period of December 31, 1995 to the most current (December 31, 1998)." You submitted to this office a representative sample of the requested information.¹ You claim that the requested information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103(a) excepts from disclosure information:

(1) relating to litigation of a civil or criminal nature or settlement negotiations, to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party; and

(2) that the attorney general or the attorney of the political subdivision has determined should be withheld from public inspection.

The city has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden

¹In reaching our conclusion here, we assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988) (where requested documents are numerous and repetitive, governmental body should submit a representative sample; but if each record contains substantially different information, all must be submitted). This open records letter does not reach, and therefore does not authorize the withholding of any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

is a showing that (1) litigation is pending or reasonably anticipated, and (2) the information at issue is related to that litigation. *University of Tex. Law Sch. v. Texas Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.--Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.--Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The city must meet both prongs of this test for information to be excepted under 552.103(a).

You state that sex discrimination complaints have been made against the city and that two lawsuits are pending against the former police chief and the police department alleging sexual harassment. The requested records therefore may be withheld from public disclosure.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing party in the anticipated litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Sincerely,

Emilie F. Stewart
Assistant Attorney General
Open Records Division
