

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

April 26, 2004

Ms. Julia M. Vasquez  
Senior Assistant City Attorney  
City of Wichita Falls  
P.O. Box 1431  
Wichita Falls, Texas 76307

OR2004-3363

Dear Ms. Vasquez:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 200078.

The City of Wichita Falls (the "city") received a request for audio recordings and/or transcripts of all 911 calls made from a certain phone number for a specified period, as well as audio recordings and/or transcripts of all 911 calls made relating to another phone number. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a) of the Government Code provides as follows:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

(1) release of the information would interfere with the detection, investigation or prosecution of crime; [or]

---

<sup>1</sup>We note that you also raised section 552.101 of the Government Code as an exception to disclosure, but made no arguments in support of this exception. See Gov't Code § 552.301(e)(1)(A).

(2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]

Gov't Code § 552.108(a)(1)-(2). Generally speaking, subsections 552.108(a)(1) and 552.108(a)(2) apply to two mutually exclusive types of information held by a law enforcement agency. Section 552.108(a)(1) protects information that pertains to a pending criminal investigation or prosecution. In contrast, section 552.108(a)(2) protects records that pertain to a concluded criminal investigation or prosecution that did not result in a conviction or a deferred adjudication. We understand you to claim that the submitted information relates to a pending criminal prosecution. Based on your representations, we conclude that this information pertains to an open case and that release of the information would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Therefore, you may withhold the submitted information from the requestor based on section 552.108(a)(1). We note that you have the discretion to release all or part of this information that is not otherwise confidential by law. Gov't Code § 552.007.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor

should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Michael A. Pearle  
Assistant Attorney General  
Open Records Division
