

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

February 3, 2005

Sheriff Tom Maddox
Sabine County Sheriff's Office
P. O. Box 848
Hemphill, TX 75948

OR2005-01009

Dear Sheriff Maddox:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 217960.

The Sabine County Sheriff's Office (the "sheriff") received a request for any information concerning Department of Public Safety involvement with the "interdiction, dismantling or disposal of any clandestine drug laboratory in Sabine County since 1 January 2001." You claim that the requested information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.103 provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

....

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated

on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103. The sheriff has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated, and (2) the information at issue is related to that litigation. *University of Tex. Law Sch. v. Texas Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The sheriff must meet both prongs of this test for information to be excepted under 552.103(a). As you have provided no information to show that litigation relating to the matters at issue is pending or reasonably anticipated and that the submitted information is related to that litigation, we conclude that the information at issue is not excepted from disclosure under section 552.103 of the Government Code.

You next claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. Section 552.108(a) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime.” Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. See Gov't Code §§ 552.108(a)(1), (b)(1), .301(e)(1)(A); see also *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You inform us that “some of these cases are still under investigation and awaiting trial.” Because you have not identified which of the cases are still under investigation, we find that you have not met the burden of establishing that release of these particular offense reports would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), writ ref'd n.r.e. per curiam, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Therefore, none of the submitted information is excepted from disclosure under section 552.108 of the Government Code.

We note that the submitted information contains Texas motor vehicle record information. Section 552.130 of the Government Code provides in relevant part:

(a) Information is excepted from the requirement of Section 552.021 if the information relates to:

- (1) a motor vehicle operator's or driver's license or permit issued by an agency of this state; [or]
- (2) a motor vehicle title or registration issued by an agency of this state[.]

Gov't Code § 552.130. You must withhold the marked Texas motor vehicle record information under section 552.130 of the Government Code.

Finally, we note that the submitted information also contains social security numbers. Social security numbers may be withheld in some circumstances under section 552.101 of the Government Code. Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision" and encompasses information protected by other statutes. A social security number or "related record" may be excepted from disclosure under section 552.101 in conjunction with the 1990 amendments to the federal Social Security Act, 42 U.S.C. § 405(c)(2)(C)(viii)(I). *See* Open Records Decision No. 622 (1994). These amendments make confidential social security numbers and related records that are obtained and maintained by a state agency or political subdivision of the state pursuant to any provision of law enacted on or after October 1, 1990. *See id.* We have no basis for concluding that any of the social security numbers in the file are confidential under section 405(c)(2)(C)(viii)(I), and therefore excepted from public disclosure under section 552.101 on the basis of that federal provision. We caution, however, that section 552.352 of the Act imposes criminal penalties for the release of confidential information. Prior to releasing any social security number information, you should ensure that no such information was obtained or is maintained by the sheriff pursuant to any provision of law, enacted on or after October 1, 1990.

In summary, the marked Texas motor vehicle record information must be withheld under section 552.130 of the Government Code. The social security numbers may be confidential under federal law. The remaining information must be released.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the

governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Elizabeth A. Stephens
Assistant Attorney General
Open Records Division
