

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 5, 2005

Ms. Veronica V. Sopher
Director of Public Information
Arlington Independent School District
1203 West Pioneer Parkway
Arlington, Texas 76013

OR2005-02898

Dear Ms. Sopher:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 221243.

The Arlington Independent School District (the "district") received a request for 1) a copy of a "video tape . . . that captures the alleged theft of cokes" on a specified date at Bowie High School and 2) "any record where students or staff approached administration informing of, or requesting refund for money taken by . . . vending machines located within Bowie High School." You indicate that the district will release responsive information pertaining to item two of the request. However, you claim that the requested video tape is excepted from disclosure pursuant to section 552.114 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.114 of the Government Code excepts from disclosure student records at an educational institution funded completely or in part by state revenue. Gov't Code § 552.114. This office generally applies the same analysis under section 552.114 and the Family Educational Rights and Privacy Act of 1974 ("FERPA"). Open Records Decision No. 539 (1990). FERPA provides that no federal funds will be made available under any applicable program to an educational agency or institution that releases personally identifiable information (other than directory information) contained in a student's education records to anyone but certain enumerated federal, state, and local officials and institutions, unless otherwise authorized by the student's parent. *See* 20 U.S.C. § 1232g(b)(1). "Education records" means those records that contain information directly related to a student and are maintained by an educational agency or institution or by a person acting for such agency or institution. *Id.* § 1232g(a)(4)(A). Section 552.026 of the Government Code provides that

“information contained in education records of an educational agency or institution” may only be released under the Act in accordance with FERPA.

In Open Records Decision No.634 (1995), this office concluded that (1) an educational agency or institution may withhold from public disclosure information that is protected by FERPA and excepted from required public disclosure by sections 552.026 and 552.101 without the necessity of requesting an attorney general decision as to those exceptions, and (2) an educational agency or institution that is state-funded may withhold from public disclosure information that is excepted from required public disclosure by section 552.114 as a “student record,” insofar as the “student record” is protected by FERPA, without the necessity of requesting an attorney general decision as to that exception. In this instance, however, you have submitted a copy of the requested video tape to this office for consideration. Therefore, we will consider whether this video tape is excepted from disclosure under sections 552.026 and 552.114 of the Government Code and FERPA.

Information must be withheld from required public disclosure under FERPA only to the extent “reasonable and necessary to avoid personally identifying a particular student.” See Open Records Decision Nos. 332 (1982), 206 (1978). Such information includes both information that directly identifies a student, as well as information that, if released, would allow the student’s identity to be easily traced. See Open Records Decision No. 224 (1979) (finding student’s handwritten comments protected under FERPA because they make identity of student easily traceable through handwriting, style of expression, or particular incidents related). The submitted surveillance video tape relates to district students and constitutes education records for purposes of FERPA. Therefore, we find that the submitted video tape must be withheld from disclosure in its entirety pursuant to section 552.114 and FERPA.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov’t Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the

statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Tex. Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Debbie K. Lee
