Dear Ms. Virnig:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 224552.

The City of Azle (the "city"), which you represent, received a request for information relating to a particular incident. You claim that the requested information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

You assert that some of the submitted information is excepted from public disclosure pursuant to section 552.101. Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that another statute makes confidential. The Medical Practice Act ("MPA"), chapter 159 of the Occupations Code governs the disclosure of medical records. Section 159.002 of the MPA provides in part:

- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the

information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(b)-(c). Medical records must be released upon the patient's signed, written consent, provided that the consent specifies (1) the information to be covered by the release, (2) reasons or purposes for the release, and (3) the person to whom the information is to be released. *See* Occ. Code §§ 159.004, .005. Any subsequent release of medical records must be consistent with the purposes for which the governmental body obtained the records. *See id.* § 159.002(c); Open Records Decision No. 565 at 7 (1990). Medical records may only be released in accordance with the MPA. *See* Open Records Decision No. 598 (1991). Therefore, the medical records you have submitted as Exhibit C may be released only in accordance with the MPA.

Section 552.101 also encompasses criminal history record information ("CHRI") generated by the National Crime Information Center ("NCIC") or by the Texas Crime Information Center ("TCIC"). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety ("DPS") maintains, except that the DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov't Code § 411.083.

Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090 - .127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* Open Records Decision No. 565 (1990). Furthermore, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. However, the definition of CHRI does not include driving record information maintained by DPS under chapter 521 of the Transportation Code. *See* Gov't Code § 411.082(2)(B). The information submitted for our review includes CHRI generated by TCIC and NCIC. Accordingly, Exhibit B is excepted from required public disclosure by section 552.101 of the Government Code.

We note the submitted information includes a social security number. Section 552.101 also encompasses the 1990 amendments to the federal Social Security Act, 42 U.S.C. § 405(c)(2)(C)(viii)(I), which make confidential social security numbers and related records that are obtained or maintained by a state agency or political subdivision of the state pursuant

to any provision of law enacted on or after October 1, 1990. *See id.* We have no basis for concluding that any of the social security numbers in the file are confidential under section 405(c)(2)(C)(viii)(I), and therefore excepted from public disclosure under section 552.101 on the basis of that federal provision. We caution, however, that section 552.352 of the Public Information Act imposes criminal penalties for the release of confidential information. Prior to releasing any social security number information, you should ensure that no such information was obtained or is maintained by the city pursuant to any provision of law enacted on or after October 1, 1990.

You also claim that some of the submitted information is excepted from disclosure under section 552.130 of the Government Code, which provides, in relevant part:

(a) Information is excepted from the requirement of Section 552.021 if the information relates to:

- (1) a motor vehicle operator's or driver's license or permit issued by an agency of this state; [or]
- (2) a motor vehicle title or registration issued by an agency of this state[.]

Gov't Code § 552.130(a). Therefore, you must withhold the Texas-issued motor vehicle record information you have marked in Exhibit D under section 552.130.

In summary, the city may release the medical records submitted as Exhibit C only in accordance with MPA. Exhibit B consists of CHRI that is confidential under chapter 411 of the Government Code and must be withheld under section 552.101 of the Government Code. The submitted social security number may be confidential under federal law. The Texas-issued motor vehicle record information that you have marked in Exhibit D must be withheld under section 552.130 of the Government Code. The remaining information must be released to the requestor.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days.

Id. § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Tex. Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

L. Joseph James
Assistant Attorney General
