

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

September 14, 2005

Mr. Tom Rugg  
First Assistant, Civil Division  
Jefferson County District Attorney  
1001 Pearl Street - 3<sup>rd</sup> Floor  
Beaumont, Texas 77701-3545

OR2005-08372

Dear Mr. Rugg:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 232304.

Jefferson County (the "county") received two requests for a management study authorized by the county and performed by MGT. You inform us that the county does not maintain some of the requested information.<sup>1</sup> We understand you to claim that the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.111 excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." In Open Records Decision No. 615 (1993), this office reexamined the predecessor to the section 552.111 exception in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ), and held that section 552.111 excepts only those internal communications consisting of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body.

---

<sup>1</sup>The Act does not require a governmental body to disclose information that did not exist at the time the request was received, nor does it require a governmental body to prepare new information in response to a request. *Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Attorney General Opinion H-90 (1973); Open Records Decision Nos. 452 at 2-3 (1986), 342 at 3 (1982), 87 (1975); see also Open Records Decision Nos. 572 at 1 (1990), 555 at 1-2 (1990), 416 at 5 (1984).

*City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000); *Arlington Indep. Sch. Dist. v. Texas Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.). An agency's policymaking functions do not encompass internal administrative or personnel matters; disclosure of information relating to such matters will not inhibit free discussion among agency personnel as to policy issues. ORD 615 at 5-6. Additionally, section 552.111 does not generally except from disclosure purely factual information that is severable from the opinion portions of internal memoranda. *Arlington Indep. Sch. Dist.*, 37 S.W.3d at 160; ORD 615 at 4-5. Section 552.111 can encompass communications between a governmental body and a third party consultant. *See Open Records Decision Nos. 631 at 2 (1995)* (section 552.111 encompasses information created for governmental body by outside consultant acting at governmental body's request and performing task that is within governmental body's authority), 561 at 9 (1990) (section 552.111 encompasses communications with party with which governmental body has privity of interest or common deliberative process), 462 at 14 (1987) (section 552.111 applies to memoranda prepared by governmental body's consultants). Section 552.111 is not applicable, however, to communications with a party with which the governmental body has no privity of interest or common deliberative process. *See Open Records Decision No. 561 at 9 (1990)*.

This office has also concluded that a preliminary draft of a document that is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See Open Records Decision No. 559 at 2 (1990)* (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

You indicate that the management study is a policymaking document. You state that the study is ongoing and that only a preliminary draft of the report currently exists. You also inform us that the final report is due to be received by the Jefferson County Commissioner's Court in open session on July 17 and will be available to the public at that time. Based on your representations and our review, we conclude that the county may withhold the submitted information in its entirety pursuant to section 552.111 of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by

filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,
