Assistant District Attorney

OR2005-09300

Dear Ms. Parro:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 237669.

Southwestern Institute for Forensic Science at Dallas ("SWIFS") received a request for the autopsy report of a named individual. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) excepts from disclosure information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime if release of the information would interfere with the detection, investigation, or prosecution of crime. Gov't Code § 552.108(a)(1). By its terms, section 552.108 applies only to a law enforcement agency or a prosecutor. This office has determined, however, that where an incident involving alleged criminal conduct is still under active investigation or prosecution, section 552.108 may be invoked by any proper custodian of information that relates to the incident. *See* Open Records Decision Nos. 474 (1987), 372 (1983) (where incident involving allegedly criminal conduct is still under active investigation or prosecution, section 552.108 may be invoked by any proper custodian of information relating to incident). Where a non-law enforcement agency has custody of information relating to a pending case of a law enforcement agency, the agency having custody of the information may withhold the information under section 552.108 if the agency demonstrates that the information relates to

the pending case and provides this office with a representation from the law enforcement entity that the law enforcement agency wishes to withhold the information.

While SWIFS is not a law enforcement entity, you state that the requested autopsy report relates to a pending criminal prosecution by the Dallas County District Attorney. Based on your representations and our review, we determine that the release of the autopsy report would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), writ *ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We therefore conclude SWIFS may withhold the autopsy report at issue pursuant to section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Brian J. Rogers
