Dear Ms. Alexander:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 234786.

The Texas Department of Transportation (the "department") received a request all information prepared by the department or on behalf of the department pertaining to a computer assigned to a named department employee. You state that you will release some of the requested information, but you claim that the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

You contend that the information submitted as Exhibit B is excepted from disclosure under section 552.116 of the Government Code, which provides as follows:

- (a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, or a joint board operating under Section 22.074, Transportation Code, is excepted from [public

¹ We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach and, therefore, does not authorize the withholding of any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) 'Audit working paper' includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116, as amended by Act of May 17, 2005, 79th Leg., R.S., H.B. 1285, §§ 1-2 (effective May 27, 2005). You state that the information in Exhibit B consists of working papers that were compiled by the department's internal auditor during the course of an audit authorized by state law. *See* Transp. Code § 201.108 (Texas Transportation Commission shall appoint internal auditor for department); *see also* Gov't Code § 2102.005 (requiring state agency to conduct internal audit program). Based on your representations and our review of the submitted information, we conclude that Exhibit B constitutes audit working papers under section 552.116, and it may therefore be withheld on that basis.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.
