

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 18, 2006

Mr. Eric D. Bentley
Assistant General Counsel
University of Houston System
E. Cullen Building Suite 311
Houston, Texas 77204-2162

OR2006-12253

Dear Mr. Bentley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 265960.

The University of Houston Clear Lake (the "university") received a request for information relating to an accident. You state that social security numbers will be withheld under section 552.147 of the Government Code.¹ You claim that other responsive information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and have reviewed the information you submitted.

We first note that the submitted documents include an accident report form that appears to have been completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three items of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. Transp. Code

¹Section 552.147 provides that "[t]he social security number of a living person is excepted from" required public disclosure under the Act. Gov't Code § 552.147(a). Section 552.147(b) authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act.

§ 550.065(c)(4). Under this provision, the Texas Department of Public Safety or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided two of the three specified items of information. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Therefore, the accident report that we have marked must be released without redaction under section 550.065(c)(4) of the Transportation Code.

Section 552.130 of the Government Code exempts from public disclosure information that relates to a motor vehicle operator's or driver's license or a motor vehicle title or registration issued by an agency of this state. *See* Gov't Code § 552.130(a)(1)-(2). We have marked Texas driver's license and motor vehicle information that the university must withhold under section 552.130.

We note that section 552.136 of the Government Code is applicable to some of the remaining information.² This exception provides as follows:

(a) In this section, "access device" means a card, plate, code, account number, personal identification number, electronic serial number, mobile identification number, or other telecommunications service, equipment, or instrument identifier or means of account access that alone or in conjunction with another access device may be used to:

- (1) obtain money, goods, services, or another thing of value; or
- (2) initiate a transfer of funds other than a transfer originated solely by paper instrument.

(b) Notwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.

Gov't Code § 552.136. We have marked an insurance policy number that the university must withhold under section 552.136.

In summary: (1) the marked accident report must be released without redaction under section 550.065(c)(4) of the Transportation Code; (2) the marked Texas driver's license and

²Unlike other exceptions to disclosure, this office will raise section 552.136 on behalf of a governmental body, as this exception is mandatory and may not be waived. *See* Gov't Code §§ 552.007, .352; Open Records Decision No. 674 at 3 n.4 (2001) (mandatory exceptions).

motor vehicle information must be withheld under section 552.130 of the Government Code; and (3) the marked insurance policy number must be withheld under section 552.136 of the Government Code. The university must also release the rest of the submitted information.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

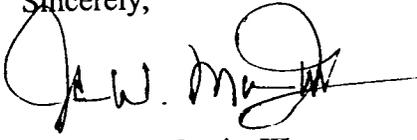

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for

contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

A handwritten signature in black ink, appearing to read "J.W. Morris, III". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
