Ms. Mia M. Martin
General Counsel
Richardson Independent School District

OR2007-01217

Dear Ms. Martin:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 270255.

The Richardson Independent School District (the "district") received a request for five categories of information related to Bowie Elementary School and its principal. You state that you have released information responsive to the first four categories of the request. You claim that the remaining information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.¹ We have also considered the comments submitted by the requestor. *See* Gov't Code § 552.304 (providing that interested party may submit comments stating why information should or should not be released).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make

¹ We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

confidential. You raise section 552.101 in conjunction with section 21.355 of the Education Code. Section 21.355 provides that “[a] document evaluating the performance of a teacher or administrator is confidential.” Educ. Code § 21.355. This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). We have determined that the word “administrator” in section 21.355 means a person who is required to and does in fact hold an administrator's certificate under subchapter B of chapter 21 of the Education Code and is performing the functions of an administrator, as that term is commonly defined, at the time of the evaluation. *Id.*

You contend that the submitted documents are evaluations of an administrator that are confidential under section 21.355. You also indicate that the individual maintained an administrator's certificate, and was acting as principal of the elementary school in question at the time of the request. Having considered your arguments and reviewed the information at issue, we agree that the submitted documents evaluate the performance of an administrator for the purposes of section 21.355. Thus, the district must withhold the submitted documents under section 552.101 of the Government Code in conjunction with section 21.355 of the Texas Education Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

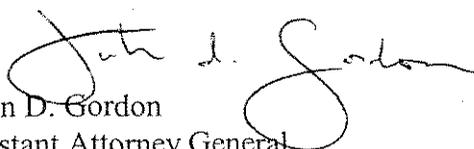

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Justin D. Gordon
