OR2007-07555A

Dear Ms. Alexander:

This office issued Open Records Letter No. 2007-07555 (2007) on June 14, 2007. In a letter dated July 10, 2007 an interested third party informed this office, and provided documentation showing, that the underlying request for information in Open Records Letter No. 2007-07555 had been withdrawn prior to the issuance of the ruling from this office. Where this office determines that an error was made in the decision process under sections 52.301 and 552.306 of the Government Code, and that error resulted in an incorrect decision, we will correct the previously issued ruling. Consequently, this serves as the correct decision and is a substitute for the decision issued on June 14, 2007. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of the Public Information Act (the "Act"))).

Upon review of the letter from the requestor stating it withdrew the request for information voluntarily prior to the ruling, and that the Texas Department of Transportation acknowledged receipt of this withdrawal, this office will consider this matter closed. Accordingly, Open Records Letter No. 2007-07555 is overruled. If you have any questions with regard to this letter, please refer to ID# 281129.

Sincerely,

Amy L.S. Shipp
Assistant Attorney General
