OR2007-11879

Dear Ms. Brewer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID #288796.

The Wylie Police Department (the "department"), which you represent, received a request for any and all records pertaining to a named dog. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision" and encompasses information made confidential by other statutes. Gov't Code § 552.101. Section 826.0311(a) of the Health and Safety Code, in relevant part, states the following:

(a) Information that is contained in a municipal or county registry of dogs and cats under Section 826.031 that identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of the registered dog or cat is confidential and not subject to disclosure under Chapter 552, Government Code. The information contained within the registry may not include the social security number or the driver's license number of the owner of the registered animal.

(b) The information may be disclosed only to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services or animal registration services for the governmental entity for purposes related to the protection of public health and safety. A governmental entity or person that receives the information must maintain the confidentiality of the information, may not disclose the information under

Chapter 552, Government Code, and may not use the information for a purpose that does not directly relate to the protection of public health and safety.

Act of June 15, 2007, 80th Leg., R.S., ch. 686, § 2 (to be codified as an amendment to Health and Safety Code § 826.0311). The submitted information consists of an Animal Control Release form, Animal Services Bite Reports, a Call Report, Rabies Vaccination Certificates, and a Release to Euthanize form. Section 826.0311 only applies to the actual pet registry; it is not applicable to the contents of other records, even though those documents may contain the same information as the pet registry. *See* Open Records Decision No. 478 at 2 (1987) (statutory confidentiality requires express language making certain information confidential or stating that information shall not be released to public). Thus, none of the submitted information is confidential under section 826.0311 of the Health and Safety Code.

Section 552.101 also encompasses section 826.0211 of the Health and Safety Code, which provides in pertinent part that “[i]nformation contained in a rabies vaccination certificate or in any record compiled from the information contained in one or more certificates that identifies or tends to identify an owner or an address, telephone number, or other personally identifying information of an owner of a vaccinated animal is confidential and not subject to disclosure under Chapter 552, Government Code. The information contained in the certificate or record may not include the social security number or the driver’s license number of the owner of the vaccinated animal.” Act of June 15, 2007, 80th Leg., R.S., ch. 686, § 1 (to be codified as an amendment to Health and Safety Code § 826.0211). The only exception to this confidentiality is that the information may be disclosed “to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services for the governmental entity for purposes related to the protection of public health and safety.” *Id.*

You state that the submitted documents contain information deemed confidential by section 826.0211. Upon review, we agree that section 826.0211 is applicable to the information within the vaccination certificates that identifies the owner of the named dog. Accordingly, we conclude that the information we have marked is confidential under section 826.0211 of the Health and Safety Code, and thus must be withheld under section 552.101 of the Government Code. The remaining information within the certificates is not identifying information. Because you have not raised any other applicable exceptions for the non-identifying information within the certificates or the remaining submitted documents, they must be released to the requestor.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited

from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Reg Hargrove  
Assistant Attorney General  
Open Records Division
