

ATTORNEY GENERAL OF TEXAS

GREG ABBOTT

June 13, 2008

Mr. John Ohnemiller
Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 78711-2548

OR2008-08131

Dear Mr. Ohnemiller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 317459.

The Midland Police Department (the "department") received a request for information regarding a specified accident. You state that you have released a portion of the requested information. You claim that the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

We note that the submitted information includes a ST-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (Texas Peace Officer's Accident Report form). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute.¹ *Id.* In this case, the requestor has provided the information specified by the statute. Accordingly, the ST-3 accident report form in the submitted information must be released to the requestor.

We now address your argument under section 552.108 of the Government Code for the remaining submitted information. Section 552.108(a)(2) of the Government Code excepts

¹Transp. Code § 550.0601 ("department" means Texas Department of Transportation).

from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. You inform us that the submitted information relates to a closed case that did not result in a conviction or deferred adjudication. Therefore, we find that the submitted information pertains to an investigation that concluded in a result other than conviction or deferred adjudication. Therefore, section 552.108(a)(2) is applicable to the remaining submitted information.

However, as you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Company v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). See Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note that basic information does not include driver's license numbers or motor vehicle record information. See ORD 127. Therefore, with the exception of basic information, the remaining submitted information may be withheld under section 552.108(a)(2).²

In summary, the department must release the ST-3 accident report form pursuant to section 550.065(c)(4) of the Transportation Code. With the exception of basic information, the department may withhold the remaining information pursuant to section 552.108 of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must file suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such a challenge, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the

²As our ruling is dispositive, we need not address your remaining argument against disclosure.

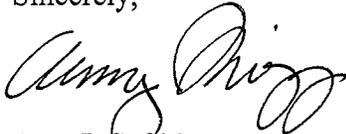

statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can challenge that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Amy L.S. Shipp
Assistant Attorney General
Open Records Division
