

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 10, 2008

Mr. Humberto Aguilera
Escamilla & Poneck, Inc.
P.O. Box 200
San Antonio, Texas 78205

OR2008-13990

Dear Mr. Aguilera:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 324290.

The San Antonio Independent School District (the "district"), which you represent, received a request from an investigator with the Texas Education Agency ("TEA") for several categories of information pertaining to TEA's investigation of an allegation against a named teacher. You state that the district has redacted student-identifying information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g.¹ You claim that some of the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that some of the submitted information was created after the date the district received the request for information. Accordingly, this information, which we have marked, is not responsive to the instant request for information. The district need not release non-responsive information in response to this request and this ruling will not address it.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't

¹The Department of Education has informed this office that it is the responsibility of the educational agency or institution to make determinations under FERPA. A copy of the Department of Education's letter may be found on the Office of the Attorney General's website at <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

Code § 552.101. This exception encompasses information that other statutes make confidential. The district raises section 552.101 in conjunction with section 21.355 of the Education Code, which provides that “[a] document evaluating the performance of a teacher or administrator is confidential.” Educ. Code § 21.355. This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined that a “teacher” for purposes of section 21.355 means a person who (1) is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code or a school district teaching permit under section 21.055 and (2) is engaged in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4.

Portions of submitted information consist of performance evaluations of a former district teacher. You have provided documentation showing that the teacher at issue did hold the appropriate certificate and was a teacher at the time of the submitted performance evaluations. Having considered your arguments and reviewed the information at issue, we agree that the information we have marked evaluates the performance of the teacher at issue for purposes of section 21.355 of the Education Code and must be withheld pursuant to section 552.101 of the Government Code. However, you have failed to show how the remaining information evaluates the performance of the teacher at issue for the purposes of section 21.355. Accordingly, the district may not withhold any of the remaining information under section 552.101 of the Government Code.

Section 552.101 also encompasses federal law. The submitted information includes an I-9 form, which is governed by section 1324a of title 8 of the United States Code. This section provides that this form “may not be used for purposes other than for enforcement of this chapter” and for enforcement of other federal statutes governing crime and criminal investigations. 8 U.S.C. § 1324a(b)(5). Release of this document under the Act would be “for purposes other than for enforcement” of the referenced federal statute. Accordingly, we conclude that the submitted I-9 form is confidential for purposes of section 552.101 of the Government Code and may only be released in compliance with the federal laws and regulations governing the employment verification system.

We note that the remaining submitted documents contain information subject to section 552.130 of the Government Code.² Section 552.130 excepts from disclosure “information [that] relates to . . . a motor vehicle operator’s or driver’s license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state.” Gov’t Code § 552.130(a)(1), (2). Accordingly, the department must withhold the Texas motor vehicle record information we have marked pursuant to section 552.130 of the Government Code.

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

We note that TEA's request states that it is seeking this information under the authority provided to the State Board for Educator Certification ("SBEC") by section 249.14 of title 19 of the Texas Administrative Code.³ Accordingly, we will consider whether section 249.14 of title 19 of the Texas Administrative Code permits TEA to obtain information that is otherwise protected by the exceptions discussed above. *See* Open Records Decision No. 451 at 4 (1986) (specific access provision prevails over generally applicable exception to public disclosure).

Chapter 249 of title 19 of the Texas Administrative Code governs disciplinary proceedings, sanctions, and contested cases involving SBEC. *See* 19 T.A.C. § 249.14. Section 249.14 provides in relevant part:

(a) Staff [of TEA] may obtain and investigate information concerning alleged improper conduct by an educator, applicant, examinee, or other person subject to this chapter that would warrant the board denying relief to or taking disciplinary action against the person or certificate.

...

(c) The executive director and staff may also obtain and act on other information providing grounds for investigation and possible action under this chapter.

Id. § 249.14. We note that these regulations do not specifically grant access to information subject to section 21.355 of the Education Code, section 1324a of title 8 of the United States Code, or section 552.130 of the Government Code. We further note that section 21.355 of the Education Code, section 1324a of title 8 of the United States Code, and section 552.130 of the Government Code each has its own access provisions governing release for the respective types of information to which each is applicable. Generally, if confidentiality provisions or another statute specifically authorize release of information under certain circumstances or to particular entities, then the information may only be released or transferred in accordance therewith. *See* Attorney General Opinions GA-0055 (2003) at 3-4 (SBEC not entitled to access teacher appraisals made confidential by section 21.355 of the Education Code where section 21.352 of the Education Code expressly authorizes limited release of appraisals to other school districts in connection with teachers' employment applications), DM-353 (1995) at 4-5 n.6 (detailed provisions in state law for disclosure of records would not permit disclosure "to other governmental entities and officials . . . without violating the record's confidentiality"), JM-590 (1986) at 5 ("express mention or

³Chapter 21 of the Education Code authorizes SBEC to regulate and oversee all aspects of the certification, continuing education, and standards of conduct of public school educators. *See* Educ. Code § 21.031(a). Section 21.041 of the Education Code states that SBEC may "provide for disciplinary proceedings, including the suspension or revocation of an educator certificate, as provided by Chapter 2001, Government Code." *Id.* § 21.041(b)(7). Section 21.041 also authorizes SBEC to "adopt rules as necessary for its own procedures." *Id.* § 21.041(a).

enumeration of one person, thing, consequence, or class is tantamount to an express exclusion of all others"). We also note that an interagency transfer of this information is not permissible where, as here, the applicable statutes enumerate the specific entities to which information encompassed by the statute may be disclosed, and the enumerated entities do not include the requesting governmental body. *See* Open Records Decision Nos. 655 at 8-9 (1997), 516 at 4-5 (1989), 490 at 2 (1988); *see also* Attorney General Opinion GA-0055.

Furthermore, where general and specific statutes are in irreconcilable conflict, the specific provision typically prevails as an exception to the general provision unless the general provision was enacted later and there is clear evidence that the legislature intended the general provision to prevail. *See* Gov't Code § 311.026(b); *City of Lake Dallas v. Lake Cities Mun. Util. Auth.*, 555 S.W.2d 163, 168 (Tex. Civ. App.—Fort Worth 1977, writ ref'd n.r.e.). In this instance, although section 249.14 generally allows TEA access to information relating to suspected misconduct on the part of an educator, section 21.355 of the Education Code, section 1324a of title 8 of the United States Code, and section 552.130 of the Government Code specifically protect educator and administrator evaluations, employment verification forms, and motor vehicle record information, and specifically permit release to certain parties and in certain circumstances that do not include TEA's request in this instance. We therefore conclude that, notwithstanding the provisions of section 249.14, the district must withhold the information that is excepted from disclosure based on the provisions addressed above. *See also* Open Records Decision No. 629 (1994) (provision of Bingo Enabling Act that specifically provided for non-disclosure of information obtained in connection with examination of books and records of applicant or licensee prevailed over provision that generally provided for public access to applications, returns, reports, statements and audits submitted to or conducted by Texas Alcoholic Beverage Commission).

In summary, the district must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. The district must withhold the submitted I-9 form under section 552.101 in conjunction with section 1324a of title 8 of the United States Code. The district must withhold the Texas motor vehicle information we have marked under section 552.130 of the Government Code. The remaining information must be released to the requestor.⁴

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the

⁴Because TEA has a right of access to certain information in the submitted documents that otherwise would be excepted from release under the Act, the district must again seek a decision from this office if it receives a request for this information from a different requestor without such a right of access.

governmental body wants to challenge this ruling, the governmental body must file suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such a challenge, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3). If the governmental body does not file suit over this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

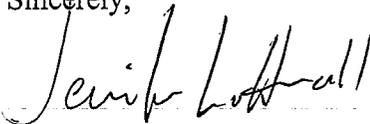

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can challenge that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Jennifer Luttrall
