Mr. Marc Allen Connelly
Deputy General Counsel
Texas Department of State Health Services
P.O. Box 149347

OR2008-14933

Dear Mr. Connelly:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 327927.

The Texas Department of State Health Services (the "department") received a request for several specified "Medicare or Medicaid applications." You state that the department does not have most of the requested information.¹ You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 1306(a) of title 42 of the United States Code provides the following:

(1) No disclosure of any return or portion of a return (including information returns and other written statements) filed with the Commissioner of Internal Revenue under Title VIII of the Social Security Act [42 U.S.C.A. § 1001 et seq.] or under subchapter E of chapter 1 or subchapter A of chapter 9 of the Internal Revenue Code [of 1939], or under regulations made under authority thereof, which has been transmitted to the head of the applicable agency by the Commissioner of Internal Revenue, or of any file, record, report, or other

¹The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990).

paper, or any information, obtained at any time by the head of the applicable agency or by an officer or employee of the applicable agency in the course of discharging the duties of the head of the applicable agency under [chapter 7 of title 42 of the United States Code], and no disclosure of any such file, record, report, or other paper, or information, obtained at any time by any person from the head of the applicable agency or from any officer or employee of the applicable agency shall be made except as the head of the applicable agency may by regulations prescribe and except as otherwise provided by federal law.

(2) For purposes of this subsection . . . the term “applicable agency” means-

(A) the Social Security Administration, with respect to matter transmitted to or obtained by such administration or matter disclosed by such administration; or

(B) the Department of Health and Human Services, with respect to matter transmitted to or obtained by such Department or matter disclosed by such Department.

42 U.S.C. § 1306(a). You also cite to subsections 401.101(a)(1), (b), and (c) of title 42 of the Code of Federal Regulations and the Centers for Medicare and Medicaid Services (“CMS”) State Operations Manual for the proposition that section 1306(a)(1) applies to survey agencies. You explain the department is the Medicare state survey agency pursuant to an agreement with the CMS. The submitted information consists of a Medicare Enrollment Application form. Federal regulations require the department to release official reports that evaluate the performance of a provider of services, provided that (1) no information identifying individual patients, physicians, other medical practitioners, or other individuals shall be disclosed, and (2) the provider whose performance is being evaluated has had a reasonable opportunity to review the report and to offer comments. *See* 42 U.S.C. § 1306(e), (f); 42 C.F.R. §§ 401.126, .133; Open Records Decision No. 487 at 5 (1988); *see also* Health & Safety Code § 142.009(d)(6). You contend that the submitted information is not the type of report subject to limited disclosure under section 1306(e)(3). Based upon your representations and our review, we agree that the submitted Medicare Enrollment Application form is not an “official report” that falls within the purview of section 1306(e). Accordingly, the department must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 1306(a) of title 42 of the United States Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited

from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must file suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such a challenge, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3). If the governmental body does not file suit over this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can challenge that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Bill Dobie
Assistant Attorney General
