

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

December 29, 2008

Ms. Debbie Chelf
City Secretary
City of Hutto
401 West Front Street
Hutto, Texas 78634

OR2008-17566

Dear Ms. Chelf:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 331126.

The City of Hutto (the "city") received a request for three categories of information pertaining to a specified Request for Proposals to provide the city with red-light traffic camera services. You state that you have released some information to the requestor. Although you raise no exceptions to disclosure, you indicate that release of the submitted proposal may implicate the proprietary interests of the third party who submitted the proposal to the city, American Traffic Solutions, Inc. ("ATS"). You provide documentation showing that you have notified ATS of the request and of its opportunity to submit comments to this office as to why its information should not be released to the requestor. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (determining that statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain the applicability of exception to disclose under Act in certain circumstances). We have reviewed the submitted proposal.

An interested third party is allowed ten business days from the date of its receipt of the governmental body's notice under section 552.305 of the Government Code to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this decision, this office has not received any correspondence from ATS. We thus have no basis for concluding that any portion of the

submitted proposal constitutes proprietary information of ATS, and the city may not withhold any portion of the submitted information on that basis. *See* Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3 (1990).

We note that the submitted proposal contains information that is excepted from public disclosure under section 552.130 of the Government Code.¹ Section 552.130 provides that information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by a Texas agency is excepted from public release. Gov't Code § 552.130(a)(1), (2). Accordingly, the city must withhold the Texas-issued motor vehicle record information we have marked under section 552.130 of the Government Code. The remaining information must be released to the requestor.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must file suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such a challenge, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3). If the governmental body does not file suit over this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline,

toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can challenge that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Paige Savoie
