Ms. Cheryl K. Byles  
Assistant City Attorney  
City of Fort Worth

Fort Worth, Texas 76102

OR2009-00579

Dear Ms. Byles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 332051.

The City of Fort Worth (the "city") received a request for written statements and transcripts pertaining to a specified internal affairs investigation. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108 of the Government Code excepts from public disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body that claims an exception to disclosure under section 552.108 must reasonably explain how and why this exception is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct if it provides the attorney general with a demonstration that the information relates to the pending case and a representation from a law enforcement entity that it has an interest and wishes to withhold the information. *See* Open Records Decision No. 474 at 4-5 (1987). The city explains that the submitted documents pertain to an active Federal Bureau of Investigation (the "FBI") criminal investigation. The city further

provides a representation that the FBI objects to the release of the submitted information because release would interfere with its ongoing criminal investigation. Based on this representation, we conclude that the city may withhold the submitted information under section 552.108(a)(1) of the Government Code. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), writ ref'd n.r.e. per curiam, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
