

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

January 28, 2009

Mr. Gary Grief  
Deputy Executive Director  
Texas Lottery Commission  
P.O. Box 16630  
Austin, Texas 78761-6630

OR2009-01090.

Dear Mr. Grief:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 333588.

The Texas Lottery Commission (the "commission") received a request for the 2009 fiscal year Game Plan. You claim that the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.111 excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." Gov't Code § 552.111. In Open Records Decision No. 615 (1993), this office reexamined the predecessor to the section 552.111 exception in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ), and held that section 552.111 excepts only those internal communications consisting of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000); *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.). An agency's policymaking functions do not encompass internal administrative or personnel matters; disclosure of information relating to such matters will not inhibit free discussion among agency personnel as to policy issues. ORD 615 at 5-6. Additionally, section 552.111 does not generally except from disclosure purely factual information that is severable from the opinion portions of internal memoranda. *Arlington Indep. Sch. Dist.*, 37 S.W.3d at 160; ORD 615 at 4-5.

You state that the submitted information “is not a final schedule or plan, but rather is a document that is continuously being revised . . . [and] used in the development of new lottery games.” You also state that the information at issue “contains the advice, opinions, and recommendations provided by [c]ommission employees regarding future lottery instant ticket games and reflects the deliberative process of [commission] staff.” Upon review of your arguments and the submitted information, we agree that the commission may withhold the submitted information under section 552.111 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Christina Alvarado  
Assistant Attorney General  
Open Records Division
