

ATTORNEY GENERAL OF TEXAS

GREG ABBOTT

February 4, 2009

Mr. C. Patrick Phillips  
Assistant City Attorney  
City of Fort Worth  
1000 Throckmorton Street, 3<sup>rd</sup> Floor  
Fort Worth, Texas 76102

OR2009-01462

Dear Mr. Phillips:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 334163.

The City of Fort Worth (the "city") received a request for a specific incident report. You claim that the portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses the doctrine of common-law privacy, which protects information that (1) contains highly intimate or embarrassing facts the publication of which would be highly objectionable to a reasonable person and (2) is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Information must be withheld under section 552.101 in conjunction with common-law privacy upon a showing of "special circumstances." *See* Open Records Decision No. 169 (1977). This office considers "special circumstances" to refer to a very narrow set of situations in which the release of information would likely cause someone to face "an imminent threat of physical danger." *Id.* at 6. Such "special circumstances" do not include "a generalized and speculative fear of harassment or retribution." *Id.*

You assert that release of the information you have highlighted identifies undercover officers, the release of which would likely cause the officers to face an imminent threat of physical danger. Based on your representations and our review, we agree that the city must withhold the highlighted information under section 552.101 of the Government Code in conjunction with the "special circumstances" aspect of common-law privacy. The remaining information must be released.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Christina Alvarado  
Assistant Attorney General  
Open Records Division

CA/cc

<sup>1</sup>We note that some of the information being released would not generally be available to the general public. *See* Gov't Code § 552.130. However, because the information pertains to the requestor, it may not be withheld in this instance. *See id.* § 552.023(a) ("a person or a person's authorized representative has a special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests."); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). Thus, the city must again seek a decision from this office if it receives a request for this information from a different requestor.
