

ATTORNEY GENERAL OF TEXAS

GREG ABBOTT

February 19, 2009

Ms. Cecilia Gamez  
Crime Records Bureau  
City of McAllen Police Department  
P.O. Box 220  
McAllen, Texas 78501

OR2009-02196

Dear Ms. Gamez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 339240.

The McAllen Police Department (the "department") received a request for a specified police report. You state that you have released some of the requested information, but claim that the remaining information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the submitted information includes the breath test results of an arrestee's blood alcohol content. Full information concerning the analysis of the specimens must be made available upon the request of the person who has given specimens at the request of a peace officer. Transp. Code § 724.018. Here, the requestor is individual who submitted the specimen. Thus, the department must release the breath test results to the requestor.

You assert that the remaining information is excepted under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime." A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See* Gov't Code §§ 552.108(a)(1), 552.301(e)(1)(A); *See also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the remaining information relates to a pending criminal prosecution. Based on this representation, we conclude that the release of this information would interfere with the detection, investigation, or prosecution of crime.

*See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), writ ref'd n.r.e., 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. Thus, with the exception of the basic front-page offense and arrest information, the department may withhold the remaining information under section 552.108(a)(1).

To conclude, the department must release the submitted breath test results pursuant to section 724.018 of the Transportation Code and the basic information in the submitted documents. The department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,
