Ms. Michelle L. Villarreal
Assistant City Attorney
City of Waco
P.O. Box 2570

OR2009-03061

Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 340868 (LGL-09-106).

The Waco Police Department (the "department") received a request for information pertaining to a specified accident. You state you have released some of the requested information. You claim that portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information that other statutes make confidential. Chapter 772 of the Health and Safety Code authorizes the development of local emergency communications districts. Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000. We understand you to assert that the City of Waco's emergency communication district is subject to section 772.318. Therefore, to the extent the originating telephone numbers of the 9-1-1 callers were supplied by a 9-1-1 service supplier, the telephone numbers you have marked within the submitted CAD record are confidential under section 772.318 of the Health and Safety Code and must be withheld from disclosure under section 552.101 of the Government Code. To the extent the telephone numbers you have marked were not provided by a 9-1-1 service supplier to the emergency communication district, this information may not be withheld under section 552.101 in

conjunction with section 772.318, but instead must be released. The remaining submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Paige Savoie
