Dear Ms. Crosby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 338571.

The City of Moulton (the "city"), which you represent, received a request for the "police schedule." You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(b)(1) excepts from disclosure the internal records and notations of law enforcement agencies and prosecutors when their release would interfere with law enforcement and crime prevention. Gov't Code § 552.108(b)(1); *see also* Open Records Decision No. 531 at 2 (1989) (quoting *Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977)). Section 552.108(b)(1) is intended to protect "information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State." *See City of Ft. Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no writ). To demonstrate the applicability of this exception, a governmental body must meet its burden of explaining how and why release of the requested information would interfere with law enforcement and crime prevention. Open Records Decision No. 562 at 10 (1990). This office has concluded that section 552.108(b) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (Gov't Code § 552.108 is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORD 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental

body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

You argue that release of the submitted police schedule “would allow criminals and others to adjust their schedules accordingly to minimize the chances of detection[.]” Further, you assert the submitted information could be used to “exploit inevitable weaknesses during times of reduced police coverage.” Having considered your arguments and the submitted information, we conclude you have demonstrated how release of the police schedule would interfere with law enforcement and crime prevention. Therefore, the city may withhold the submitted information under section 552.108(b)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
