Mr. Samuel D. Hawk
Assistant City Attorney
Criminal Law and Police Division
1400 South Lamar
Dallas, Texas 75215

OR2009-03797

Dear Mr. Hawk:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 342359 (DPD 2009-1292).

The Dallas Police Department (the "department") received a request for information related to a specified offense report. You claim a portion of the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information includes CR-3 accident report forms. Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision" and encompasses information made confidential by statute.² Gov't Code § 552.101. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

two or more pieces of information specified by the statute. *Id.* The submitted information includes CR-3 accident report forms that were completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). In this instance, the requestor has not provided the department with two of the three requisite pieces of information. Therefore, the department must withhold the submitted CR-3 accident report forms under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Next, we address your argument under section 552.108 of the Government Code. Section 552.108(a) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal investigation and/or prosecution. Based upon this representation and our review, we conclude the release of the information you have marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Therefore, the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code.

We next note some of the remaining information is subject to section 552.130 of the Government Code. Section 552.130 excepts from disclosure "information [that] relates to . . . a motor vehicle operator's or driver's license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state[.]" Gov't Code § 552.130. Because this exception protects personal privacy, the requestor has a right of access to his own Texas motor vehicle record information under section 552.023 of the Government Code. *See id.* § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself).³ However, the department must withhold the Texas motor vehicle record information not belonging to the requestor, which we have marked, pursuant to section 552.130 of the Government Code.

In summary, the department must withhold the CR-3 accident report forms pursuant to section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. The department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. The Texas motor vehicle record information

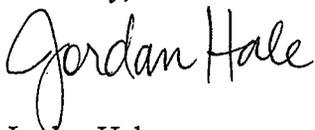

³Section 552.023(a) provides that "[a] person or a person's authorized representative has a special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests." Gov't Code § 552.023(a).

we have marked must be withheld under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
