Assistant City Attorney
Criminal Law & Police Division
City of Dallas

OR2009-04328

Dear Ms. Armstrong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 344079 (Dallas Request No. 2009-1937).

The Dallas Police Department (the "department") received a request for reports pertaining to three incidents involving the requestor. You state that some of the information has been released. You claim that portions of the remaining information are excepted from disclosure under sections 552.108, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

You claim that the marked sections of the submitted reports are excepted from disclosure under section 552.108. Section 552.108(a) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection,

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the reports relate to pending criminal investigations and prosecutions. Based upon this representation, we conclude that the release of the information you have marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston[14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, the department may withhold the information it has marked pursuant to section 552.108(a)(1).

You assert that some of the remaining information is excepted under section 552.130 of the Government Code, which provides that information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title, or registration issued by a Texas agency is excepted from public release. Gov’t Code § 552.130(a)(1), (2). Accordingly, the Texas motor vehicle record information you have marked must be withheld from the public pursuant to section 552.130 of the Government Code.

You claim the social security numbers you have marked are excepted from disclosure under section 552.147 of the Government Code. This section provides “[t]he social security number of a living person is excepted from” required public disclosure under the Act.² Therefore, the department may withhold the marked social security numbers under section 552.147.

In summary, the department may withhold the information it has marked pursuant to section 552.108(a)(1). The department must withhold the Texas motor vehicle record information that it has marked pursuant to section 552.130 of the Government Code. Finally, the department may withhold the social security numbers it has marked pursuant to section 552.147 of the Government Code. The remaining information must be released.

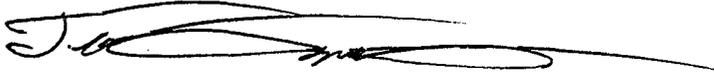

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
