Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 339039.

The Texas Department of Criminal Justice (the "department") received a request for all information relating to two named inmates. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, 552.1325, and 552.134 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note some of the submitted information is not responsive to this request because it does not pertain either of the named individuals. This ruling does not address the public availability of non-responsive information, and the department is not required to release non-responsive information in response to this request. Accordingly, we will address your arguments with regard to the responsive information.

Section 552.134 provides in relevant part:

- (a) Except as provided by Subsection (b) or by Section 552.029, information obtained or maintained by the [department] is excepted from the requirements

of Section 552.021 if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Section 552.134 is explicitly made subject to section 552.029. Section 552.029 states the following:

Notwithstanding . . . Section 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

Id. § 552.029(8). Thus, the legislature explicitly made section 552.134 subject to section 552.029.

You state the submitted information concerns two inmates confined in facilities operated by the department. Thus, we agree the submitted information is subject to section 552.134. However, portions of the submitted information relate to alleged crimes involving the named inmates. Therefore, the department must release the basic information about these incidents pursuant to subsection 552.029(8). The basic information that must be released includes the time and place of the incident, the names of inmates and of department employees who were involved, a brief narrative of the incident, a brief description of any injuries sustained by anyone involved, and information regarding any criminal charges or disciplinary actions that were filed as a result of the incidents. With the exception of information that must be released pursuant to section 552.029 of the Government Code, the department must withhold the remaining submitted information under section 552.134 of the Government Code.¹

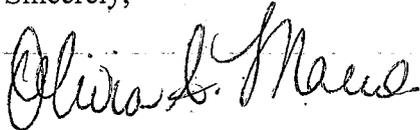

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
