OR2009-05066

Dear Mr. Jansky:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 340570 (DSHS File No. O14287-056-2009).

The Texas Department of State Health Services (the "department") received a request for information regarding a specified Medical Advisory Board case number. You state you will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. You raise section 552.101 in conjunction with section 12.097 of the Health and Safety Code, which provides as follows:

- (a) All records, reports, and testimony relating to the medical condition of an applicant or license holder:

(1) are for the confidential use of the medical advisory board [of the Texas Department of State Health Services], a panel, or the Department of Public Safety of the State of Texas;

(2) are privileged information; and

(3) may not be disclosed to any person or used as evidence in a trial except as provided by Subsection (b).

(b) In a subsequent proceeding under Subchapter N, Chapter 521, Transportation Code,<sup>1</sup> the medical standards division [of the Texas Department of State Health Services] may provide a copy of the report of the medical advisory board or panel and a medical report relating to an applicant or license holder to:

(1) the Department of Public Safety of the State of Texas;

(2) the applicant or license holder; and

(3) the officer who presides at the hearing.

Health & Safety Code § 12.097 (footnote in original); *see also id.* §§ 12.092(b) (providing for appointment of medical advisory board to assist department in determining whether driver's license applicant or license holder is capable of safely operating motor vehicle), 12.095 (providing for medical advisory board opinion or recommendation of department). You state the submitted information is a record relating to the medical condition of a license holder. You also state that section 12.097(b) does not apply in this instance. Based on your representations and our review of the information at issue, we conclude that the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 12.097 of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
