Assistant City Attorney

OR2009-05854

Dear Ms. Armstrong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 346501 (Dallas Request No. 2009-2684).

The Dallas Police Department (the "department") received a request for information pertaining to a specified incident. You claim that some of the requested information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), (b)(1), 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the submitted information relates to a pending criminal case. Based on this representation, we conclude that the release of the information you have marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531

¹We assume that the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

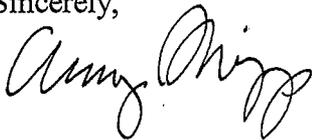

S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e.*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Therefore, the department may withhold the marked information under section 552.108(a)(1).

You claim that some of the remaining information is excepted from disclosure under section 552.130 of the Government Code. This section excepts from disclosure information that relates to a motor vehicle operator's or driver's license or permit or a motor vehicle title or registration issued by an agency of this state. *See* Gov't Code § 552.130(a)(1)-(2). We note that this exception protects personal privacy. Therefore, the requestor has a special right of access to his insured person's Texas motor vehicle record information under section 552.023 of the Government Code. *See id.* § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). Thus, the department may not withhold any of the information at issue under section 552.130 of the Government Code. The remaining information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Amy L.S. Shipp
Assistant Attorney General
