OR2009-06059

Dear Mr. Griffith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 346677.

The McKinney Police Department (the "department"), which you represent, received a request for a specified incident report. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."<sup>1</sup> Gov't Code § 552.101. This section encompasses information that other statutes make confidential, such as section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007. For purposes of section 58.007, "child" means a person who is ten years of age or older and under seventeen years of age. *See* Fam. Code § 51.02(2). Section 58.007 provides in pertinent part as follows:

- (c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise,

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapter B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

- (1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child; and
- (2) any information that is excepted from required disclosure under Chapter 552, Government Code, or other law.

*Id.* § 58.007(c), (e), (j). The submitted report involves juvenile conduct occurring after September 1, 1997; therefore, the submitted report is subject to section 58.007. Section 58.007(e) allows the review or copy of juvenile law enforcement records by a child's parent or guardian. *Id.* § 58.007(e). We note the requestor is the parent of the juvenile offender; therefore, the information pertaining to the requestor's child may not be withheld under section 552.101 of the Government Code in conjunction with section 58.007. *See id.* § 58.007(e). Section 58.007(j)(2), however, provides that information subject to any other exception to disclosure under the Act or other law must also be redacted. *See id.* § 58.007(j)(2). Thus, because you assert that the submitted information is excepted under

section 552.108 of the Government Code, we must address whether the submitted information is excepted under that section. *See id.* § 58.007(j)(2).

Section 552.108(a)(2) excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. You have asserted that the case regarding the requested report has been closed and no further action has been taken. Based upon this representation, we conclude that the submitted information pertains to a case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree that section 552.108(a)(2) is applicable to the submitted information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), writ ref’d n.r.e. per curiam, 536 S.W.2d 559 (Tex. 1976). Thus, with the exception of basic information, the department may withhold the submitted incident report under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
