

ATTORNEY GENERAL OF TEXAS

Mr. Randall P. Gunter

Liberty, Texas 77575

OR2009-07158

Dear Mr. Gunter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 344211.

The Liberty Police Department (the "department"), which you represent, received a request for the lab report of a blood sample given by a named individual. You state the department has released basic information pertaining to the incident during which the specified blood sample was provided. *See* Gov't Code § 552.108(c)(basic information about an arrested person, and arrest, or a crime is not excepted under section 552.108); *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

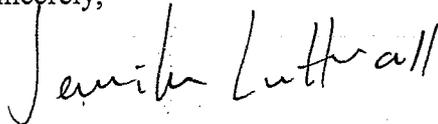

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), (b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the submitted information relates to a pending criminal prosecution. Based upon this representation, we conclude that the release of the information

at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Therefore, we find that section 552.108(a)(1) is applicable in this instance and the department may withhold the submitted information under that exception.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
