Mr. Thomas A. Chambers  
Assistant County Attorney  
Liberty County  
P.O. Box 9127

OR2009-07178

Dear Mr. Chambers:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 344168.

The Liberty County Attorney's Office (the "county attorney") received a request for "all letters, agreements, or contracts outlining, indicating, documenting, or communicating the details of the pre-trial diversion agreement" in a specified case. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108 of the Government Code provides in relevant part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

- (1) release of the information would interfere with the detection, investigation or prosecution of crime; [or]
- (2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]

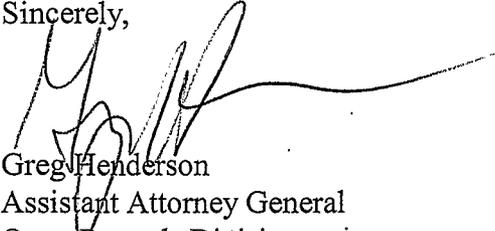

Gov't Code § 552.108(a)(1), (2). Generally, section 552.108(a)(1) is mutually exclusive of section 552.108(a)(2). Section 552.108(a)(1) typically protects information that pertains to a pending criminal investigation or prosecution. In contrast, section 552.108(a)(2) protects information that relates to a concluded criminal investigation or prosecution that did not result in conviction or deferred adjudication. A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). A governmental body that claims section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See* Gov't Code §§ 552.108(a)(2), .301(e)(1)(A).

You state the submitted information pertains to a criminal case that was dismissed without prejudice and with the right to re-file. You also state that the county attorney continues to investigate the case and considers the case to be "open, pending, and subject to being re-filed." We therefore understand you to assert the applicability of section 552.108(a)(1). Based on your representation and our review, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Accordingly, the county attorney may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
