Assistant City Attorney
City of Waco
P.O. Box 2570

OR2009-07491

Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 349328 (Waco Reference No. LGL-09-440).

The Waco Police Department (the "department") received a request for information pertaining to a specified incident. We understand you have provided the requestor with a portion of the requested information. You claim that some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses Chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communications districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a service supplier. *See* Open Records Decision No. 649 (1996). You state that the City of Waco is part of an emergency communication district that was established under section 772.318. Based on your representation and our review of the submitted information, we find that the originating telephone number of the 9-1-1 caller, which you have marked, is confidential

under section 772.318 of the Health and Safety Code and the department must withhold it under section 552.101 of the Government Code.

Section 552.130 of the Government Code excepts from disclosure information that "relates to . . . a motor vehicle operator's or driver's license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state." Gov't Code § 552.130. Thus, the department must withhold the Texas motor vehicle record information that you have marked under section 552.130 of the Government Code.

In summary, the department must withhold the originating telephone number that you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code. The department must withhold the Texas motor vehicle record information that you have marked under section 552.130 of the Government Code. The remaining submitted information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
