

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

June 3, 2009

Mr. Humberto F. Aguilera  
Escamilla & Poneck, Inc.  
P.O. Box 200  
San Antonio, Texas 78291-0200

OR2009-07592

Dear Mr. Aguilera:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 345025.

The San Antonio Independent School District (the "district"), which you represent, received a request for all information related to requestor's client's complaint. You state the requested information was the subject of a previous open records ruling. You also claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered your arguments and reviewed the submitted information.

You inform us the requested information was the subject of a previous request for information, in response to which this office issued Open Records Letter No. 2009-00925 (2009). You state the law, facts, and circumstances on which this prior ruling was based have not changed. We therefore conclude the district may continue to rely on Open Records Letter No. 2009-00925 as a previous determination and, with the exception of basic information, withhold the requested information under section 552.108(a)(2) of the Government Code. *See* Open Records Decision No. 673 (2001) (so long as law, facts, circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure).<sup>1</sup>

---

<sup>1</sup>As we are able to make this determination, we need not address your argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Jordan Hale  
Assistant Attorney General  
Open Records Division
