

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

June 9, 2009

Mr. Gregory A. Alicie  
Open Records Specialist  
Baytown Police Department  
3200 North Main Street  
Baytown, Texas 77521

OR2009-07892

Dear Mr. Alicie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 345428.

The Baytown Police Department (the "department") received a request for four categories of information pertaining to a named police officer. You indicate that you have released some of the requested information. You state that you will redact full and partial social security numbers under section 552.147 of the Government Code.<sup>1</sup> You claim that a portion of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note, and you have indicated, that you have submitted information which is not responsive to the present request. This ruling does not address the public availability of the information marked as non-responsive, and you need not release such information in response to the request.

---

<sup>1</sup>We note that section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, such as section 143.089 of the Local Government Code. You inform us that the City of Baytown is a civil service city under chapter 143 of the Local Government Code. Section 143.089 contemplates two different types of personnel files: a police officer’s civil service file that the civil service director is required to maintain, and an internal file that the police department may maintain for its own use. Local Gov’t Code § 143.089(a), (g). In cases in which a police department investigates a police officer’s misconduct and takes disciplinary action against a police officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer’s civil service file maintained under section 143.089(a). *Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or in possession of the department because of its investigation into a police officer’s misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *See* Local Gov’t Code § § 143.051-.055. Such records are subject to release under chapter 552 of the Government Code. *See id.* § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, a document relating to a police officer’s alleged misconduct may not be placed in his civil service personnel file if there is insufficient evidence to sustain the charge of misconduct. Local Gov’t Code § 143.089(b). Information that reasonably relates to a police officer’s employment relationship with the police department and that is maintained in a police department’s internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied); *City of San Antonio v. Tex. Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You indicate that some of the submitted information is maintained in the internal files of the department as authorized under section 143.089(g) of the Local Government Code.<sup>2</sup> This portion of the submitted information pertains to complaints which were either not sustained or sustained with no disciplinary action, and investigations conducted by the department that did not result in disciplinary action against the specified police officer. We therefore conclude that, with the exception of the information you have marked as not responsive or marked for release, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.

---

<sup>2</sup>Section 143.089(g) requires a police department that receives a request for information maintained in a file under section 143.089(g) to refer that person to the civil service director or the director’s designee.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
