Dear Ms. Fleming:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 345680.

The Texas Department of Criminal Justice (the "department") received a request for several categories of information pertaining to the requestor, as well as specified department policies and other information related to mandatory drug screening. You state that will make some of the requested information available to the requestor. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 508.313 of the Government Code, which provides in part:

(a) All information obtained and maintained [by the Texas Department of Criminal Justice], including a victim protest letter or other correspondence, a victim impact statement, a list of inmates eligible for release on parole, and an arrest record of an inmate, is confidential and privileged if the information relates to:

(1) an inmate of the institutional division [of the Texas Department of Criminal Justice] subject to release on parole, release to mandatory supervision, or executive clemency;

(2) a releasee; or

(3) a person directly identified in any proposed plan of release for an inmate.

*Id.* § 508.313(a); *see id.* § 508.001(9) (“releasee” means a person released on parole or to mandatory supervision). The department states the submitted information is maintained by the department’s Parole Division and relates to an inmate subject to release on parole or release to mandatory supervision or executive clemency. After reviewing the department’s arguments and the submitted information, we agree the submitted information is subject to section 508.313. You inform us that the requestor is not an entity authorized to obtain the submitted information under section 508.313(c). You also inform us that this information is not made public under section 552.029 of the Government Code. *See id.* § 508.313(f). We therefore conclude that the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 508.313 of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
